President’s Welcome

Welcome to Mission College!

If you’ve picked up this class schedule, you’re likely thinking of doing something different, something more. Congratulations on making this choice. Whether you’re starting on your path of higher education, picking up some new skills, or beginning a new career, Mission College is the right place for you. With flexible scheduling that includes a wide range of day, evening, and online courses – and with a spectrum of career and technical certificates and degrees built for transfer, Mission is built for you.

If you haven’t been to the college recently, plan to make a visit soon. Bring the family, make it an outing and discover all that we have to offer – an innovative campus with the latest in equipment and technology and a dedicated staff and faculty whose mission is to provide you with a high quality educational experience tailored to your specific needs. Begin with our Welcome Center and let our Welcome Ambassadors guide you on your way. From there, get help with financial aid, have a counselor work one-on-one with you to develop your personalized educational plan, and get all the assistance you need to register and find just the right classes you need at the times that best fit your schedule.

Mission is here for you!

– Daniel Peck, President

ECO PASS @ Mission College - One small fee = Free!

Effective Fall 2016, The Valley Transportation Association (VTA) EcoPass Clipper Card allows all Clipper Card holders unlimited service on the VTA Bus and VTA Light Rail systems seven days a week, valid only within Santa Clara County.

To get your Eco Pass, students must meet the following requirements:

• You must be an enrolled student (part-time or full-time)
• All registration fees must be paid

The VTA Eco Pass provides all Mission College students with unlimited rides on Santa Clara Valley Transportation Authority (VTA) buses and light rail within Santa Clara County for the duration of a semester term. The Eco Pass is valid only for VTA services within Santa Clara County. The EcoPass is NOT valid on ACE, Amtrak, BART, Caltrain, Highway 17 Express, Dumbarton Express, Monterey-Salinas Transit, and SamTrans. All enrolled Mission College students are eligible for the Eco Pass program through a mandatory semester fee, which was established by the Mission College Associated Student Government during a fall 2015 proposition vote that passed and was approved by the West Valley-Mission Community College District Board of Trustees.

To get more information, please visit www.missioncollege.edu/student_services/asg/index.html - click on “ECO Pass @ Mission College”

See you in the fall!!!
Counseling Center

What can a counselor help me with?

Academic/Transfer Counseling
• Orientation and advising (Counseling Courses: COUNS 00A, 005, & 023)
• Educational planning (via appointment)
• Transfer planning (Counseling Courses: COUNS 007 & 007H)
• College success strategies

Career Counseling
• Career assessment interpretation (Counseling Courses: COUNS 012, & 012A)
• Career exploration assistance
• Goals clarification

Personal/Crisis Counseling
• Personal issues related to academic success
• Community referrals
• Crisis intervention

To AVOID THE RUSH, we encourage you to make an appointment with a counselor as soon as possible. Individual counseling appointments are limited during Summer Session; however, walk-in Counseling services are available to help you with quick questions related to course selection. More Counseling appointments are available beginning the third week of the Fall Semester.

Contact us at 408-855-5034 or 5030 (location Main Bldg E1-301)

Transfer Center

The Transfer Center’s goal is to help you transfer to a 4-year institution.

The transfer process can be confusing with so many colleges to choose from, all with different admission criteria. Come in and let’s talk about it. We will work with you through the entire process. Also, we host two major transfer fairs, one in the Fall and one in the Spring. You’ll be able to meet directly with admission officers from multiple colleges and universities.

We can help you with:
• Choosing a transfer campus
• Understanding the admissions process
• Completing college applications
• Transfer advising
• Scholarship searches

We’re located in the Main Building, Room E1-201. Students can drop in for assistance during regular office hours. Due to limited staffing, students are encouraged to schedule an appointment:

susan.monahan@missioncollege.edu

Financial Aid

We understand that paying for college is a big challenge.

The Financial Aid office and our friendly Welcome Center is available to assist you in completing the FAFSA or California Dream Act Application. The important thing is to take advantage of all the resources that are available to you. The process begins by submitting the application or inquiring about it in the Financial Aid Office. Whether you are a new, returning student, or continuing student to college it is important that you get assistance on ways to pay for your education. Remember to check your emails and your student portal for any updates.

NEW - Changes for Fall 2016 Board of Governors Fee Waiver (BOGW) you must ensure that you continue to meet the academic and progress standards in order to continue to be eligible for the BOGW. Please visit our website to find out everything you need to know in order to remain eligible for the BOG waiver.

We are thrilled to be able to assist you in achieving your educational goal.

Sincerely, The Financial Aid Staff

Welcome Center

Are you new to Mission College?

Do you need help with registration, class information, Financial Aid or more?

Visit the Welcome Center! Our friendly Student Ambassadors and staff are here to assist prospective and current students. They are familiar with the registration process and can assist you with a variety of services available for students that range from first time registration to Financial Aid. We also offer campus tours. Mission College is a multicultural campus and the Welcome Center staff speak a variety of languages. Our mission is to help you achieve your academic goals. Please visit us and introduce yourself! Let us assist you with your academic journey. Your success is our Mission!

The Puente Project

Interested in joining?

The Puente Project is a national award-winning program that for over 30 years has improved the college-going rate of tens of thousands of California’s educationally underrepresented students. As part of the program, Puente students take English 908 and Counseling 5 in the fall semester. They then take English 1A and Counseling 7 in the spring semester. During both semesters, Puente students take part in events, such as trips to university campuses, and also receive mentoring from local professionals. Puente students work closely with their Puente counselor until they transfer to a four-year college or university.

Requirements: Plan to transfer to a 4-year university from Mission College, be eligible to take English 908 in the fall semester, and commit to participating in all program activities.

Interested in joining? Contact the Puente Counselor, Nohemy Chavez, at 408-855-5385 or at nohemy.chavez@missioncollege.edu

Student Equity & Success

At Mission College, every student has an equal opportunity to succeed!

Equity in higher education is about equal educational opportunities for students and a promotion of success for all students, regardless of race, gender, disability, or economic circumstances.

Equality and equity are intertwined ideals, but there is an important difference. Equality is giving students the same type of support across the board. Equity takes this to a more compassionate level and recognizes that the “same thing” may not work for every student. This perspective recognizes the unique needs of a student and offers support that truly levels the playing field.

Check out how our college is promoting equity at this website: http://missioncollege.edu/student_services/student_equityindex.html

Academic policy for use of cell phones in classrooms

Policy Statement:
Instructors may restrict the use of cell phones in classrooms, labs, and library areas.

Implementation:
1. Instructors will advise students of their intention to implement this policy by placing statements in their green sheets, and/or other publications, listing any consequences and providing for emergency situations.

2. The consequence(s) for a violation of this policy will be determined by the individual instructors. These consequences shall not exceed a maximum 48 hour suspension as provided for in the Education code (Section 76032).
Late Start and Short-term Classes

Many options are available. Students can add open classes via the Portal until the day before the first class meeting.

The information in this schedule is accurate as of the printing date, April 04, 2016.

For the most up-to-date course listings, go to: missioncollege.edu and click on MC Portal and log on. Or choose Search for Courses under the Top Destinations on the right-hand side of the home page.

All courses, course sections, and classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission Colleges. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites, or due to other practical considerations such as exemptions set out in statute or regulation.

Short-term Classes Refunds

Refunds for short-term classes are given if students drop before 10% of the scheduled class meetings have elapsed. For short-term classes that meet five days or less, the last day to drop classes for a refund is the day before the first class meeting. Faculty signature not required to drop classes.

Photography

Mission College, a non-profit California Community College, reserves the right to use photography and video images of students and visitors, age 18 and older, taken on our property and at college-sponsored events for marketing and promotional purposes. Objection to the use of an individual’s photograph may be made in writing to the Marketing Office, Room E3-201, Main Building.

*AA-T = Associate Arts Degree for Transfer; *AS-T = Associate Science Degree for Transfer

**Transfer Degrees are the best way to get guaranteed admission to the California State University System, when all requirement are met. Make an appointment with a Mission College counselor for more information - (408) 855-5030

DISCLAIMER:
Mission College has made reasonable efforts to ensure the accuracy of information at the time of publication. However, all programs are subject to change without prior notice. Students are encouraged to consult with a counselor.
MISSION COLLEGE GRANTS ADMISSION TO ANYONE WHO IS...
1) a high school graduate.
2) eighteen (18) years of age or older.
3) a non-high school graduate, 16 or 17 years of age, who has in his/her possession at the time of registration one of the following:
   • Certificate of the State Proficiency Test.
   • G.E.D., California HS Equivalency Certificate.
   • A formal, written document from the student's high school district indicating he or she is exempted from any high school attendance.
   • a high school student in grades 11 or 12 whose admission as a part-time student is recommended by his or her high school principal.

To be considered California residents for tuition purposes, applicants who have eligible immigrant status or are out-of-state US citizens must reside in California for more than one year and one day prior to the first day of the term.

APPLY AND REGISTER
Apply on-line by following the link, Apply Now, on Mission's home page. After submitting your on-line application, you will immediately receive an email that will verify that your application has been submitted successfully. Within 48 hours, you will receive a second email that will provide you with your college ID number and registration date. If you skip a semester, you will need to re-apply to receive a new registration date. For inquiries about your on-line application contact asmcm@missioncollege.edu

Register on or after your registration date via MC Portal/MyWeb Services at missioncollege.edu

Fees are due immediately after registration. If you are eligible for a fee waiver, visit the Financial Aid Office before registering for classes.

If you must submit a Prerequisite Challenge Form, a Student Petition form, or any other documentation before registration, go directly to the Admissions and Records Office for assistance at least one week prior to the start of the term.

Please be prepared to pay any 'outstanding balance' if you register in-person or on-line.

Important: Normal communication with students is done via email. Please be sure to update your personal information, such as, e-mail addresses, phone numbers, etc, using MC Portal/MyWebServices, each term if necessary.

ASSEMBLY BILL 540
Any resident student, except a non-immigrant alien who meets all of the following requirements, shall be exempt from paying the nonresident tuition.

Requirements:
- Attended a California (CA) high school for at least 3 years OR graduated early from a CA high school with the equivalent of at least 3 years of credits* AND
- Graduated or will graduate from a CA high school or passed the CA High School Proficiency Exam (CHSPE), or obtained a Certificate of General Education Development (GED), AND
- If without lawful immigration status, complete(d) an affidavit to legalize immigration status as soon as you are eligible, AND
- Do not hold a valid non-immigrant visa (F, J, H, L, A, AB, C, D, E, etc.)**

*If you graduated early from high school under this provision, you must also have attended CA schools (elementary and secondary) for a cumulative total of 3 or more years.

**Exception: if you have Temporary Protected Status or hold a ‘U’ visa
1) The student must have attended a California high school for at least three full years,
2) The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or CA proficiency exam).
3) An alien student who is without lawful immigration status must file an affidavit with the college stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

This legislation does not apply to students who hold an F-1 Visa for International Students. Eligible non-resident students must file a “California Nonresident Tuition Exemption Request” form with the Admissions and Records Office. Non-resident students who are exempt from paying nonresident tuition under this legislation may be eligible for a Board of Governors Fee Waiver.

HIGH SCHOOL STUDENT REGISTRATION
Concurrently enrolled special part-time high school students in grades 11 and 12 must register In-Person starting three weeks before the first day of the term. Each term, high school students are required to submit an online Application for Admission. In addition, the student submits in person the High School Concurrent Enrollment form. Registration in any college course must be approved by the high school principal, or designee. Photo identification is required for all transactions. HS Concurrent Enrollment form may be obtained on-line at missioncollege.edu (A&R page/forms).

Special Full-Time high school students registering in 11+ units are required to pay for all enrollment fees. Basic service fees will be charged. High school, concurrent enrollment students will be required to pay lab fees.

Auditing of Courses
The Governing Board of the West Valley-Mission Community College District, under the provisions of Chapter 5, Section 76370 of the Education Code, hereby authorizes individuals to audit regularly scheduled credit courses, subject to the following conditions and provisions:

1. The student must meet college eligibility requirements for admissions to audit courses.
2. The student must be an active student in our District.
3. The student must be in good academic standing.
4. The current fee legislated of $15.00 per unit per semester shall be charged for each course audited. Students enrolled in courses to receive credit for 10 or more units shall not be charged a fee to audit three or fewer semester units per semester. Fees may be subject to legislative updates and revisions.
5. No student auditing a course shall be permitted to change his or her enrollment in that course to receive credit for the course.
6. Audit registration will only be processed after the last date to add as posted in the class schedules and will require permission of the Instructor-of-record, including his or her signature authorizing audit registration in the class.
7. All current and outstanding fees must be paid at the time of Audit Registration. Auditing fees are non-refundable after two weeks or 10% of class meetings of attendance.
8. The student must have previously enrolled for credit for the maximum number of times allowed for the particular course requested for auditing.
9. The course must be approved by the department-of-record as an auditble course.
10. If the course is a variable unit class, the student must enroll for the maximum number of units available.

You may obtain the ‘Request to Audit’ form at the Welcome Center or in the Admissions Office.

ADDING CLASSES
Students may add open classes on-line via MC Portal/MyWebServices until the day before the first class meeting. For short term/late-start classes, students will be able to add open sections until the day before the first class meeting.

WAIT LIST
If a class is closed, students can add their names to the section’s wait list before the class begins. If ‘registered students’ drop classes, and
space becomes available, eligible students on the wait list will be offered registration in the class. Students will be notified by email of their status. It is recommended that students monitor their wait list regularly to check on the current class status. Students with Holds, overlapping classes, etc. will remain on the wait list. If you change your mind about waitlisting for a particular course section, please drop yourself from that waitlist to allow other students to add.

**ADDITIONAL CLOSED CLASS... ADD CODES**

To add a class once it begins, you must attend the first class meeting (whether you are wait listed or not). If there are seats available, the instructor will assign students Add Codes to add the class. The Add Code is a four digit number that gives the student authorization to add the class via our on-line registration system—MC Portal/MyWebServices. (You will need one different Add Code for each class you wish to add.) The Add Codes are valid through the first two weeks of the semester or a shorter period if a short-term course.

**DROPPING CLASSES**

It is the student’s responsibility to officially drop classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If classes are not dropped, the student will be responsible for payment of all enrollment fees related to the class (even if the student never attended the class). Check the Calendars in this schedule of classes for deadlines to drop classes. Classes may be dropped via MC Portal/MyWebServices at missioncollege.edu.

The instructor’s signature is not required to drop classes.

Multiple Withdrawals from the same course

Title 5; Chapter 6 Section 55024 Revision

Effective July 1, 2009, college policy has limited the number of times that a student may withdraw from the same course. A student may withdraw and receive a W symbol on his or her academic records a total of three (3) times for enrollment in the same course. After the third W, the registration system will block registration in the course. To register again for the same course, the student will have to submit a Student Petition form to the Admissions & Records Office.

**REFUNDS**

To be eligible for a refund of enrollment fees, students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Adding classes after the refund deadline will require that new fees be paid. Refunds for ASB card and Parking Permits are processed when the request is made at the Admissions and Records Office by the “last day to drop with a refund” deadline. A parking permit refund requires the return of the parking permit. Refunds for Credit Card payments will be returned to the credit card. Check and cash payments will be refunded by one of three methods as chosen by the student: refund loaded to a student-assigned debit card, refund transferred viaACH to student’s personal banking account; or check mailed to the student’s current home address. It is important that we have a current address on file. The refund process takes from 4 to 6 weeks.

**FEES**

Mandatory registration fees are determined by the State and/or the College’s Board of Trustees and must be paid by all students immediately after registration each term. Effective Summer 2012:

Enrollment Fee = $46.00 per unit

Non-Resident Tuition = $215.00 per unit

The Enrollment Fee is subject to change as approved by the California State Legislature.

Health Fee = $19.00 per semester

The mandatory health fee supports the Student Health Services. The health fee is not a replacement for personal health care insurance. The health fee is exempted for,

1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.

2) Students who are attending a community college under an approved apprenticeship training program (Ed Code76355)

Any student who either requests an exemption of the health fee or is determined by a Student Services program to warrant review for exemption will be referred to the Financial Aid Director of the respective college. The FA Director and at least one FA supervisor or technician will review these requests on a case by case basis.

**Student Center Fee**

This fee supports the Student Center and is assessed at $1 per unit up to a maximum of $5 per semester.

**Associated Student Government (ASG)**

Membership/ID Card Fee. This $7 membership fee charged at the time of registration supports a variety of student services, activities, programs, scholarships, and discounts and covers the initial cost of the ID card. Should a student choose not to be a member, the fee is refundable when requested by the “refund” deadline. ID cards and stickers are available in the Campus Center Lobby. To obtain your ID card, you will need a copy of your registration statement and picture ID.

**Asg Representation Fee**

This $1.00 fee per semester, effective Fall 2011, is collected for the purpose of establishing a student representation fee. The proceeds support student government representatives stating their positions and viewpoints before city, county, and district government as well as offices and agencies of the state government. Should a student choose not to be represented, the fee is refundable when requested by the “refund” deadline.

**Convenience Fee**

A one-time per semester non-refundable fee of $3 is assessed for the use of MC Portal/MyWebServices, and in-person credit card payment.

**Parking Permit Fee**

Spring or Fall parking permits=$50.00

Summer Session parking permits=$25.00

Parking permits may be purchased online at

**Parking Permits**

Prices subject to change.

Detailed parking information on page 9.

**Fees for Services**

Standard Official Transcripts=$6.00 each

(first 2 transcripts are free)

Effective January 01, 2013

One Hour Rush Transcripts=$20.00 each

Unofficial Transcripts=$2.00 per request

Duplicate Diploma=$10.00 each

**NOTIFICATION OF TAX IDENTIFICATION NUMBERS (TIN) OR SOCIAL SECURITY NUMBERS (SSN) REQUIRED COLLECTION & USAGE**

Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN. A student may refuse to disclose his or her SSN or TIN to the IRS but the IRS is then authorized to fine the student in the amount of $50.

Mission College does not use the SSN or TIN as student identifier- we assign a unique student ID to every student.

All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).
FINANCIAL AID INFORMATION

Maintaining Perspective

The purpose of financial aid is to assist students in their pursuit of education and career goals by removing some of the day-to-day financial pressures that may interfere. Federal and state financial aid is intended to supplement, not replace, a student’s resources. In other words, students are expected to contribute, to the extent they are able, toward their educational costs. Mission College offers a variety of federal, state and institutional aid programs to assist students in meeting the costs of their education. To obtain information on eligibility requirements and necessary application forms, students are encouraged to visit the MC Portal to review your file status, stop by the Financial Aid Office or visit our website.

http://www.financialaid.missioncollege.edu/

Some awards are subject to availability of funds; therefore, it is highly recommended that you apply as early as possible.

Board of Governor’s Fee Waivers (BOGFW)

Board of Governors Waiver (BOGW) covers the enrollment fees, a portion of the parking fee, and, for lower income students, BOGW A, may also cover the campus center fee.

Recipient must be a California resident for at least one year and one day prior to the first day of each semester. AB540 Students (undocumented residents) now qualify for the BOGFW! Applications are available on our website or at the Financial Aid Office.

BOGW A: To be eligible, you (or one of your parents, if you are a dependent) must be a current recipient of public assistance such as AFDC/TANF/CalWORKS, SSI, GA, or others.

BOGW B: To be eligible, you (or one of your parents, if you are a dependent) must meet the following income standards:

BOGW C: To be eligible, you must qualify for a Pell Grant and/or have a minimum of $1,104.00 of “unmet need” as determined after completing a Free Application for Federal Student Aid (FAFSA) online.

The English BOGW is available online at: extranet.cccco.edu
The Spanish BOGW is available online at: extranet.cccco.edu

Key Applicant Eligibility Requirements:

Student:

• Is a U.S. citizen or eligible non-citizen
• Declares a program of study leading to a degree, certificate for gainful employment in a recognized occupation, or a transfer program leading to a bachelor’s degree at a four-year, degree-granting institution
• Demonstrates financial need by completing the “Free Application for Federal Student Aid” (FAFSA) available online at www.fafsa.gov
• Is not in default on any educational loan
• Does not owe a refund on any Title IV funds
• Has a high school diploma, G.E.D. or equivalent
• Meets other requirements as appropriate

Required Documents:

All documents may be submitted either by fax (408.855.5546), email mcfa@wvm.edu, or in-person during regular open office hours.
• Electronic Student Aid Report (Output document from FAFSA)
• Other documents as requested

How to Apply for Federal Aid

When you apply for financial aid, you will be asked for information about your financial situation. This information is used to determine whether your “financial need” meets the government’s requirements for eligibility. Complete the “Free Application for Federal Student Aid” (FAFSA) available online at:
www.fafsa.gov

If you qualify for a Pell Grant, you may also be eligible for other additional types of financial aid.

Even if you don’t qualify for a Pell Grant, don’t give up! You may still be eligible for a variety of other types of financial assistance, including fee waivers and scholarships. To find out about these other options, ask the staff at the Financial Aid Office.

The Financial Aid process time is approximate. The entire process can take three months or longer. If you need additional information, go to the Financial Aid Office or call the Financial Aid Office at 408.855.5065. You may also email your questions to: mcfa@wvm.edu

ACADEMIC STANDARDS

MISSION COLLEGE MISSION STATEMENT

Mission College’s first priorities are students, their learning and their success.

Our College serves the diverse educational, economic and cultural needs of the student population of Santa Clara, the Silicon Valley and our global community by providing associate degrees, transferable, career and basic-skills courses and programs, as well as opportunities for life-long learning.

Through participatory governance in support of our first priorities, Mission College systematically commits to evaluating and improving educational programs, technological resources and student support services by making informed decisions, allocating resources and establishing institutional policies and procedures.

ACADEMIC REGULATIONS & POLICIES

It is the student’s responsibility to be familiar with academic regulations and standards including policies for attendance, cheating, and other disciplinary sanctions. See Academic Regulations and Standards section in the current Mission College Catalog for complete information.

ACADEMIC STANDARDS

It is the student’s responsibility to be familiar with college academic standards. See Academic Regulations and Standards section in the current Mission College Catalog for complete information.

NON-DISCRIMINATION STATEMENT

The West Valley/Mission Community College District is an open-door community college district. Mission College does not discriminate on the basis of ethnic group identification, national origin, race, color, ancestry, religion, creed, age, sex, sexual orientation, marital or parental status, medical condition, or physical or mental disability, in any of its programs, services or courses of study.

Note: Non-Discrimination statements in Spanish, Tagalog, and Vietnamese are available on our website at the following URL:

PARKING INFORMATION

PARKING REGULATIONS

A valid student or staff parking permit is required to park on campus. Student parking permit requirements are enforced Monday through Sunday, between 7:00am and 10:00pm. Areas specifically marked for disabled parking, red zones, loading zones, staff parking, time zones, and other restricted areas are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police Department. Vehicles left overnight without authorization from the District Police may be towed at owner’s expense.

PURCHASING A PARKING PERMIT

A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a semester-length permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. If you are a Financial Aid student receiving a Board of Governors Waiver, you can purchase your permit online but you must enter your
student ID number when prompted to receive the discounted price. To be valid, the semester-length permit must be properly placed on the vehicle and be clearly visible from the outside. To be properly placed, it must be affixed to the inside of the front windshield, bottom corner, driver’s side. Improper or non-display of a permit may result in a parking citation.

One-day “Daily” parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are $3.00 per day and all daily permit dispensers will accept $1.00 bills, $1.00 coins, quarters, dimes and nickels. Daily permits must be displayed on the front dashboard and the expiration date must be visible from the outside of the vehicle.

SUMMER SESSION PARKING

There is no student parking grace-period offered during any of the summer sessions. All vehicles parked on campus during the summer sessions must have a valid parking permit properly displayed at all times.

FALL SEMESTER PARKING

A student “grace-period” will be observed during the week immediately prior to the start of the Fall semester and during the first week of the Fall semester. (Monday, August 22, 2016 – Monday September 5, 2016.) During the “grace-period” no parking citations will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Tuesday, September 6, 2016.

There is no grace period for timed zones, red zones, handicap zones, staff parking and other restricted areas. Parking areas specifically marked for disabled parking, red zones, loading zones, time zones and other restricted areas are enforced every day of the year, 24-hours a day.

GENERAL PARKING INFORMATION

- VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A. Vehicles properly parked in a marked time zone stall do not need to display a parking permit. Visitors who believe their visit may exceed the posted time limit are encouraged to purchase a daily parking permit for use in a student parking stall. Vehicles parked in a marked time-zone in excess of the posted time limit may receive a citation.

- MOTORCYCLES/MOTORSCOOTERS PARKING - Motorcycles/motor scooters are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for motorcycles parking in designated motorcycle parking areas.

- DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the California Department of Motor Vehicles. Failure to display a valid placard or plate may result in a citation and fine.

- SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must contact the District Police in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

- STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the campus center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price. BOG (Board of Governor) students who wish to purchase a replacement permit at the discounted rate must report the loss of their first permit to the District Police Department to be eligible for a replacement permit at the discounted price.

- Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and display a valid and authorized permit. Vehicles with car covers are no exception. Failure to properly display a permit may result in a citation.

- This parking information was accurate at the time of publication. However, due to changes in legislation, procedure, or policy, these regulations or procedures are subject to change without written notice. This is a summary of District Parking Policies. Detailed information is available at the Police Business Office or Campus Information Desk located at the Student Center.

FINAL EXAMINATIONS WILL NOT BE GIVEN IN ADVANCE OF SCHEDULED TIMES.
FINAL EXAM PERIOD CONT’D

A final examination is required of all students in all classes. Semester-length courses are required to have a final during the scheduled exam period. Courses that are less than regular semester length will have their final on the last day/night the class is scheduled. Students taking classes online, or courses taught off-campus should see their instructor or course syllabus to determine final exam times. Classes meet once during the final exam period.

All finals will be two (2) hours in length. The following are guidelines which will determine your final exam schedule for full semester-length courses.

- Classes that meet only one day each week:
  - If your class meets only one day each week and starts before 6:30 pm, the final exam will be held for 2 hours in the same room, starting at the regular class time.
  - If your class meets only one day each week and starts at 6:30 pm or later, the final exam will be held in the same room, from 7:30 pm to 9:30 pm.
- Classes that meet two or more times each week, the class will be held for 2 hours starting at the regular class starting time on one of its regular meeting days as identified from the following table:
  - The final exam will be on the first class meeting of final exams week at its usual time if the class starts in the ranges of:
    - 7:45 am – 9:15 am
    - 10:55 am – 12:25 pm
    - 2:05 pm – 3:35 pm
    - 5:15 pm – 6:45 pm
  - The final exam will be on the second class meeting of final exams week at its usual time if the class starts in the ranges of:
    - 9:20 am – 10:50 am
    - 12:30 pm – 2:00 pm
    - 3:40 pm – 5:10 pm
    - 6:45 pm – 7:00 pm

How to Determine Your Final Schedule

- Have your class schedule on hand.
- Identify what time range your class starts in.
- Determine your final exam date and time as per guidelines above.
- Final Examination Conflicts: In case of room or hour conflicts, please notify the instructor and the instructor will notify the appropriate Division Chairperson for resolution.

Examples:

Some examples to consider.

MATH*004A section 46073 meets Monday and Wednesday from 4:45pm to 6:50pm. Your Final Exam would be held on the second class meeting during finals week, which would be Wednesday, May 25, 2016 from 4:45PM to 6:45PM in room GC-326.

PSYCH*012 section 46138 meets Thursday evenings from 7:00pm to 9:05pm. Your Final Exam would be held on Thursday, May 26, 2016 from 7:30pm to 9:30pm in room GC-103.

COURSE REPETITION AND FAMILIES OF COURSES

New State regulations severely limit the ability of courses to be repeated after receiving a passing grade. In addition, there are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called “families” within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines. West Valley and Mission Colleges’ courses in these defined families are linked, independent of location taken, and students may only attempt up to 4 courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms – this is a cumulative count of attempts. If a family has less than 4 courses in its offerings and you have received passing grades for each of its courses, the maximum attempts allowed may be less than 4.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of attempts beyond 4 within an individual family.

Refer to the table in the on-line schedule, campus catalog or consult with a Counselor to review the full list of courses within families.

LVN-RN Registered Nursing Program

LVN-RN 408.855.5374

LVNRN*031 Community Mental Health Nursing
Advisory: Eligibility for ENGL 001A and READ 054. Prerequisite ENGL 001A, LVNRRN 021, LVNRRN 021A. Corequisite LVNRRN 032, LVNRRN 033 and LVNRRN 034. This course is designed to present mental health principles to assist the nursing student in developing an increased understanding of human behavior related to a variety of psychiatric and mental health disorders. This course is designed to provide theoretical and clinical approaches in providing nursing care to individuals of varying ages, with complex health care needs in the community setting. Grade Only (CSU)

49806 M 08:00AM 10:05AM Berkeley GC-320 2.0

LVNRN*032 Intermediate Medical-Surgical Nursing Theory
Advisory: Eligibility for ENGL 001A and READ 054. Prerequisite LVNRN 021A. Corequisite LVNRN 031, LVNRN 031, LVNRN 033, LVNRN 034. The student learns to synthesize and correlate nursing knowledge and skills in the provision of care to multiple patients who have complex, multi-system illnesses. The focus is on helping students learn to identify and anticipate patient needs and priorities, and evaluate outcomes of care. The nursing care of adult and geriatric clients with acute and chronic illnesses is addressed. Grade Only (CSU)

**LVNRN*033 Introduction to Clinical Judgment**
Prerequisite: LVNRN 021, LVNRN 021A and completion of ENGL 001A. Corequisite: LVNRN 031, LVNRN 031A, LVNRN 032 and LVNRN 032A. This course integrates nursing theory and clinical learning experiences through the use of case studies, clinical narratives, participation in clinical simulation scenarios with computerized manikins, and class discussion. This simulated clinical experience enhances the student’s nursing theory course classroom learning. The emphasis will be upon the role of the registered nurse caring for acute medical-surgical and geriatric patients with acute and chronic problems in the nursing simulation lab. Pass/No Pass Option. (CSU)

**LVNRN*034 Advanced Clinical Practicum Theory**
Prerequisite: ENGL 001A, LVNRN 021 and LVNRN 021A. Students must complete all nursing course with 75% score or higher. Corequisite: LVNRN 031, LVNRN 032 and LVNRN 033. Students must complete all nursing course with 75% score or higher. This course provides the nursing student with directed clinical experiences in acute care hospitals and a variety of community healthcare agencies for adult and geriatric patients/clients who have acute or chronic medical-surgical and mental health/psychiatric illnesses. Pass/No Pass Option. (CSU)

**Mathematics**

**MATH** 408.855.5295

**MATH*000C Intermediate Algebra**
Prerequisite: MATH 903 or satisfactory score on an appropriate Mathematics Placement Exam. The student will study fundamental laws of exponents and radicals, quadratic equations, graphical representations, complex numbers, functions and inverses, logarithmic and exponential functions, conic sections, sequences and series, linear systems and inequalities, and applied problems. Pass/No Pass Option.

**MATH*000D Trigonometry**
Advisory: MATH*000B, Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 000C or MATH 000CM or successful placement into the course based on the Mission College Mathematics Placement Exam. Students study trigonometric functions including applications to triangles, circular functions, radian measure, graphs and polar coordinates, trigonometric identities, inverse trigonometric functions, vectors, and complex numbers. Pass/No Pass Option. (CSU)
the following topics: polynomial, rational, radical, exponential, absolute value, and logarithmic functions; systems of equations; theory of polynomial equations; and analytic geometry. Pass/No Pass Option. (UC/CSU)

**MATH*002 Pre-Calculus Algebra and Trigonometry**
Advisory: Eligibility for ENGL 001A and READ 054. Prerequisite MATH 000C or MATH 000CM or Satisfactory score on an appropriate Mathematics Placement Exam. This course incorporates all topics found in pre-calculus algebra (MATH 001) and trigonometry (MATH 000D). This is an intensive course for the highly motivated and very well prepared student. Pass/No Pass Option. (UC/CSU)

**MATH*003A Analytic Geometry and Calculus I**
Advisory: MATH*002, Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 002 or MATH 000D and MATH 001. This is the first part of the three-semester calculus sequence. Topics include functions, limits, continuity, differentiation and integration, and applications for polynomial and transcendental functions. Pass/No Pass Option. (UC/CSU)

**MATH*003B Analytic Geometry and Calculus II**
Advisory: Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 003A. This is the second part of the three-semester calculus sequence. Topics include infinite series, vectors in the plane, parametric equations, conic sections, polar coordinates and integration techniques with applications. Pass/No Pass Option. (UC/CSU)

**MATH*004A Intermediate Calculus**
Prerequisite: MATH-003B or qualifying score on Placement Test and proof of Calculus II. Rec Prep: Eligibility for ENGL 001A and READ 054. This course covers vector-valued functions, calculus of functions of more than one variable, partial derivatives, multiple integration, Green's Theorem, Stokes' Theorem, and the divergence theorem. Transfer:(UC/CSU)

**MATH*004B Differential Equations**
Advisory: Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 003B. Topics include ordinary differential equations, with emphasis on linear equations, and partial differential equations. Methods include Laplace Transforms, power series, Fourier series, numerical solutions and applications. Pass/No Pass Option. (UC/CSU)

**Linear Algebra**
Advisory: Eligibility for ENGL 001A and READ 054, MATH 004A. Prerequisite: MATH 003B. This course covers basic linear algebra including systems of linear equations, Gaussian elimination, determinants, matrices, vector spaces, transformations, eigenvalues, and eigenvectors. Pass/No Pass Option. (UC/CSU)

**Elementary Statistics**
Advisory: MATH 008. Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 000C or MATH 000CM or successful placement into the course based on the Mission College Mathematics Placement Exam. Advisory: MATH 008. Students study probability, descriptive and inferential statistics including probability distribution, hypothesis testing, linear regression and applications. Current statistical computer packages are used. Pass/No Pass Option. (UC/CSU)

Before you enroll in degree applicable courses, it is recommended that you are eligible to enroll in English 001A and Reading 054.

**Mathematics Placement Exam**

Prerequisite: MATH 000C or MATH 000CM or successful placement into the course based on the Mission College Mathematics Placement Exam. This course covers discrete mathematics appropriate for computer applications. Topics may include graphs, sets, logic, mathematical induction, functions and relations, sequences and series, matrices, combinatorics, Boolean algebra, algebraic structures, and computer implementation. Pass/No Pass Option. (UC/CSU)

**MATH*012 Calculus for Business and Social Science**

Advisory: MATH 008, Eligibility for ENGL 001A and READ 054. Prerequisite: MATH 000C or MATH 000CM or successful placement into the course based on the Mission College Mathematics Placement Exam. Topics include simple techniques of differential and integral calculus and their most common applications. (NOTE: Intuitive concept of limit. Not equivalent to Math 3A.) Pass/No Pass Option

**MATH*019 Discrete Mathematics**

Advisory: MATH 001 or successful placement into the course based on the Mission College Mathematics Placement Exam. This course covers discrete mathematics appropriate for computer applications. Topics may include graphs, sets, logic, mathematical induction, functions and relations, sequences and series, matrices, combinatorics, Boolean algebra, algebraic structures, and computer implementation. Pass/No Pass Option. (UC/CSU)

PHIL*002  Introduction to Logic
Advisory: Eligibility for ENGL 001A and READ 054. Students are introduced to techniques for evaluating the quality and correctness of a chain of thought. One of the goals of learning these techniques is to extend one’s thinking and learning beyond simple memorization and repetition; that is, one begins to understand what it means to think critically about a subject matter. Another aim is to improve one’s ability to read critically and to recognize and avoid logical errors. This class demonstrates that there are right and wrong ways to reason, and that good reasoning is a skill that can be developed and improved. Pass/No Pass Option. (UC/CSU)

PHARMACY TECHNICIAN PROGRAM
According to the Bureau of Labor Statistics, the health care industry is experiencing accelerated growth and workers with health care knowledge and skills are in high demand. Community Education is offering a few introductory training classes and programs that can help you get started or enhance your career in healthcare. Imagine... a career in the exciting and booming pharmacy industry!

Pharmacy Technician Training Program
The Mission College Pharmacy Technician Training Program has been a leader in pharmacy training for over a decade and can train you to be a pharmacy technician in less than 8 months. We’re committed to student success and the development of competent, motivated pharmacy technicians who will become valued assets to the Bay Area pharmacy community. Our dynamic program starts with 300+ hours of lecture, lab, and group activities and ends with a clinical internship at an assigned pharmacy where students will sharpen their skills alongside trained pharmacy personnel. A dedicated faculty of pharmacists, certified pharmacy technicians, and pharmacy supervisors from various practice settings engage students in a new state-of-the-art lab that is complete with computer stations, a compounding lab, and a full simulation pharmacy. We even offer job placement assistance and career and pharmacy school advising during and after the program. Ask around or come take a tour, and you’ll learn that our program provides the most contemporary, realistic and comprehensive training and career support available in the area! Join us... and invest a few hours a day to start your new pharmacy career.

OLDER ADULT NON-CREDIT CLASSES
Community Education offers a number of non-credit classes for our community designed to meet the special needs, interests and capabilities of students who do not desire college unit credit. Although noncredit courses are based on college approved curriculum and taught by qualified instructors, they differ from credit courses in some respects.

Noncredit courses are:
- FREE of charge (some classes have a small material fee)
- Open to all students of the community without residency requirements
- Open-entry/open-exit and students may register anytime during the school year (provided that space is available)
- There are no tests, quizzes or letter grades given
- Registration is quick and easy through the Community Education department.

Older Adult Program
These courses are free for seniors and offered at numerous senior centers, community centers, residential care homes, and convalescent hospitals year-round. While these courses are offered primarily for senior citizens at locations and times convenient to them, they are open to all persons. The purpose of the program is to enable the older adult to have a better understanding of self-management. In addition, seniors are able to increase their awareness of consumer resources, and to enrich their learning potential by participating in individual development classes. Classes are provided in two general categories:

Art for Seniors - Art classes ranging from fine arts such as painting and history of art to classes in arts, crafts and art appreciation.

Senior Preparedness - Classes are offered in areas such as current events and consumer resources.

For a complete listing of Older Adult Program classes, please check our website at: communityed.missioncollege.edu

Rhonda Manning  
Class of 2001, Chef/Owner, House of Soul Food  

A passion for the kitchen.

A graduate of Mission’s Hospitality Management Program, RHONDA MANNING is the chef/owner of House of Soul Food, one of Silicon Valley’s most popular soul food dining establishments. Inspired by her mother and grandmother’s ability to create delicious traditional southern style dishes and feed the entire neighborhood, Rhonda was drawn into the kitchen at an early age.

Although Rhonda grew up with a passion for the kitchen, she initially chose to pursue a career in the electronics field and planned to earn a BS Degree in Electrical Engineering. During the year 1999, a life event caused Rhonda to change her career plans and she enrolled in Mission’s Hospitality Management Program. She found the program both challenging and comprehensive. Rhonda learned everything she needed to know to own, operate and manage a restaurant. Just as she was about to graduate from the Hospitality Management Program, she bought her first restaurant and opened the doors for business only four days after commencement. Mission’s Hospitality Management Program provided a Rhonda with a solid foundation for success and at the end of her first year, her restaurant made a profit.

What Rhonda loves most about serving southern style comfort food is that it brings people together, nurtures community and makes people happy. House of Soul Food specialties include brisket, barbecue ribs, fried chicken, catfish, collard greens, and mac and cheese.

Rhonda’s advice to future chefs: attend all of your classes and pay close attention to what’s being taught. Everything you learn will be of great benefit and help you to be successful in your future culinary career. Rhonda also credits Haze Dennis and Scott Brunson with providing the support and expert advice she needed to be successful.

Alex Ciak, CPA  
Class of 2010, Accountant, PricewaterhouseCoopers (PwC)  

Thriving in the dynamic world of numbers

ALEX CIAK thrives in his career as a Tax Accountant with PricewaterhouseCoopers (PwC). His work involves accounting and tax work for Silicon Valley venture capital firms. His work is challenging and dynamic due to the constantly changing regulatory environment of tax law.

Prior to pursuing a career in public accounting, Alex worked for a public library, intending to become a librarian. Alex initially enrolled in classes at Mission College to begin the process of meeting the requirements to become a librarian. During the course of his studies, Alex also signed up for two Accounting classes which ended up changing his career plans. Alex soon discovered the field of Accounting to be an interesting and challenging way to capture valuable information. After graduating from Mission College in 2010 with an A.A. Degree in Business, Alex transferred to San Jose State University where he completed his B.S. Degree in Business Administration with a Concentration in Corporate Financial Management. Alex then went on to earn an M.S. Degree in Taxation at SJSU.

Alex notes that while Mission’s Accounting Program is rigorous, it really prepares students for classes at the university level and provides a strong foundation for work as an Accounting professional.

Alex’s advice to Mission students and future Accountants: get involved in one of Mission’s clubs or start your own. It’s important to participate in community and not be out there on your own. Also, have a plan for earning your CPA License.
Vy Tran
Class of 2011, Engineer, Genentech, NASA

Developing future technologies.

Vy Tran’s first journey from Vietnam to America started at the Institute for International Studies (IIS) at Mission College. Because of her limited English, she enrolled in the IIS classes to improve her English and learn about academic expectations and culture in the U.S. During her studies at Mission College, Vy worked at the International Student Center as an assistant and helped other international students at the college. This valuable work experience has helped her develop confidence and leadership skills. While working on her Bachelor’s degree in Chemical Engineering at San Jose State University (SJSU), she interned at Applied Materials. This opportunity helped her gain industry experience and build professional relationships outside of school. Her success and ambition do not stop here.

Vy is working on her Master’s Degree at SJSU while working for Genentech as an engineer. She also does research for NASA, developing batteries that will be used in outer space. Her advice to new international students: be open-minded and welcome new and unfamiliar opportunities and challenges that they will encounter.

“Mission College helped me a lot. When I first came to the U.S., my English was poor, and I would have never imagined that I would be able to accomplish what I have. I am thankful to my instructors, counselors, and classmates who encouraged and supported me along the way.”
ASSOCIATE DEGREES FOR TRANSFER

MISSION COLLEGE is the place to be for transferring to the CSU System. We now offer 15 Associate Degrees for Transfer. Students who complete the 60 unit degrees are guaranteed admission with junior standing to the California State University (CSU) System. Even better, CSU System will never require you to take more than 60 units to complete the 120 unit baccalaureate degree in a similar major.

**BENEFITS:**
- Reduces the need to take unnecessary courses
- Eliminates confusion by different major requirements of the CSU campuses
- Guarantees CSU admission

PRIORITY REGISTRATION: How to get it. How to keep it.

**WHAT & WHY?**
Changes to priority registration throughout the California Community Colleges system will help you get the courses you need to meet your educational goals. Priority registration will be given to students who work with a counselor or advisor to develop an education plan, succeed in their classes and stay on track. Mission College staff will be providing services to help. Yes, it really is that easy.

**WHEN**
You will need to pay attention to what you are doing now so you can enjoy the benefits of priority registration in the future.

**WHAT DO I NEED TO DO?**

**Continuing students**
- Check-in with a counselor or advisor to develop or update your education plan.
- Maintain good academic standing with at least a 2.0 GPA. If you don’t, you will lose your priority enrollment.
- Don’t enroll in more courses than you think you can finish. You must complete at least 50% of your enrolled units each semester or quarter.
- Don’t accumulate more than 100 units by fall 2014, excluding most remedial and ESL courses. If you are nearing 100 units you should meet with a counselor as soon as possible to plan your remaining courses to meet your goals.
- Some high-unit majors or programs may be exempt from the 100-unit cap. Always check with your counseling office to be sure.

**New Students**
- Complete college orientation.
- Complete the assessment process.
- Meet with a counselor or advisor to develop an education plan.
- Once you begin your higher education journey, maintain good academic standing.

**WAIT! I’M ON ACADEMIC PROBATION... NOW WHAT?**
If you’re on academic or progress probation you should meet with a counselor or advisor as soon as possible to develop a game plan to get back on track to meeting your academic or career goals. An appeal process is available if you lose priority. You should check with the Mission College Admissions Office for more information.

**SOME SPECIAL CONSIDERATIONS**
Former and current foster youth, active duty military and recent veterans will continue to receive the highest priority registration as provided by California law as long as you meet the outlined requirements.

Students in Extended Opportunity Programs and Services and Disabled Students Programs and Services who have completed orientation and assessment and have an education plan in place will also receive high priority.

**YOUR REWARD**
With this new priority registration system, students who are making progress toward their goals will be rewarded for their efforts. If you stay focused on your goals you should be able to get the classes you need to succeed. If you need help understanding and meeting the new requirements at Mission College, make an appointment with a counselor or advisor today.
