From President Daniel Peck

If you’ve picked up this class schedule, you’re likely thinking of doing something different, something more. Congratulations on making this choice. Whether you’re starting on your path of higher education, picking up some new skills, or beginning a new career, Mission College is the right place for you. With flexible scheduling that includes a wide range of day, evening, and online courses – and with a spectrum of career and technical certificates and degrees built for transfer, Mission is built for you.

If you haven’t been to the college recently, plan to make a visit soon. Bring the family, make it an outing and discover all that we have to offer – an innovative campus with the latest in equipment and technology and a dedicated staff and faculty whose mission is to provide you with a high-quality educational experience tailored to your specific needs. Begin with our Welcome Center and let our Welcome Ambassadors guide you on your way. From there, get help with financial aid, have a counselor work one-on-one with you to develop your personalized educational plan, and get all the assistance you need to register and find just the right classes you need at the times that best fit your schedule. Mission is here for you!

Mission College Mission Statement

Mission College’s first priorities are students, their learning and their success. Our College serves the diverse educational, economic and cultural needs of the student population of Santa Clara, the Silicon Valley, and our global community by providing associate degrees, transferable, career and basic-skills courses and programs, as well as opportunities for life-long learning. Through participatory governance in support of our first priorities, Mission College systematically commits to evaluating and improving educational programs, technological resources and student support services by making informed decisions, allocating resources, and establishing institutional policies and procedures.
SUPPORT SERVICES FOR YOUR SUCCESS

ACADEMIC SUPPORT CENTER (ASC)/TUTORING CENTER
Tutoring.missioncollege.edu | SEC 154
Academic Support Center provides academic support for all Mission College students. Our goal is to provide a positive learning environment to help students become independent and active learners. The tutoring service is free and available for most Mission College courses. Students can drop in for tutoring or schedule an appointment online. We also help with study strategies and test preparation. We strive to offer quality services in a variety of formats to respond to individual student needs. For online tutoring, students can visit NetTutor via Canvas. Tutoring schedules vary based on subjects and tutor availability.

AANAPISI & STEM LEARNING CENTER
Stem.missioncollege.edu | SCI-131
The goal of the Asian American Native American Pacific Islander Serving Institution (AANAPISI) programs is to improve the transition, progression, graduation, and transfer rates of Asian American and Pacific Islander (AAPI) and low-income students at Mission College. One key AANAPISI service component is the STEM Learning Center, which provides students with the following services: Study space and computer lab usage; Workshops to prepare students for internship and other career opportunities; tutoring in STEM disciplines; Peer Navigators Mentorship program; Summer transition activities for incoming students; and activities focused on transfer (university tours), career development, other career opportunities; tutoring in STEM disciplines; Peer Navigators Mentorship program; Summer transition activities for incoming students; and activities focused on transfer (university tours), career development, industry tours), and community building (social/mixer events).

ASSESSMENT CENTER
Assessment.missioncollege.edu | SEC 109
The Assessment Center helps with the assessment of your ability in math, English, ESL, or reading by recommending classes in which you will be successful achieving your college goals, and which will enable you to reach transfer level course success. Thanks to changes in state law and new policies at Mission College, most students will be assessed for math and English based on their high school GPA and/or other transcript information. Students can report their information to the Mission College Assessment Center at https://web.wvm.edu/placementTool-mc/. Placement tests will still be required for Summer/Fall 2019 placement for students who plan to take English as a Second Language (ESL) courses for credit. The Assessment Center also offers assessments for Reading and Information Literacy competency graduation requirements. If you have completed college courses elsewhere or passed AP exams that you would like considered for course placement at Mission College, please visit: http://Prerequisites.missioncollege.edu.

DISABILITY SUPPORT PROGRAMS AND SERVICES
dsp.missioncollege.edu | CC-240
DSPS is a one-stop support center to enhance success of all students with documented disabilities seeking further education for career, degree or transfer. DSPS is located on the second floor of the Campus Center, to meet the needs of anyone with a documented disability, whether permanent or temporary, in either an on-campus or online course environment. Eligible students have access to placement tests and accommodations that may include extended test time, reduced-distraction environment, Computer Workstations with Specialized Software, Special Furniture, One-on-one Tutoring in Math (basic through calculus) and English (all), Notetaking, Interpreters, Captioning, Education Plans, Disability Advising, Access to Strategy Courses in Math (Arithmetic to Algebra), Writing, Study Skills, Computer Technology/ Web Tools. DSPS conducts Learning Disability Assessments for qualified students in accordance with the state Chancellor’s Office Standards to assist students who lack documentation of a Learning Disability.

COUNSELING CENTER
Counseling.missioncollege.edu | SEC 139
Our counselors are available to support Mission’s diverse student population with the many academic and personal needs that may arise during the college experience. Counseling services and classes are designed to help students succeed in reaching their educational and life goals.
What can a counselor help me with?
• Academic and transfer Counseling
• Career exploration assistance
• Personal counseling
• Crisis intervention • Personal issues related to academic success
To AVOID THE RUSH, we encourage you to make an appointment with a counselor as soon as possible.

CALWORKS
missioncollege.edu/student_services/calworks/ | SEC-144
CalWORKS is a federal, state and county funded program serving low-income (single or two parent household) students parenting at least one child under the age of 18. Santa Clara county provides cash aid to be used for housing, food and utilities. Mission’s CalWORKS program provides: academic counseling, book vouchers, CalWORKS on-campus study work, priority registration, on-campus and community resource referrals and assistance with county case workers.

EOPS
Eops.missioncollege.edu | SEC-148
Extended Opportunity Programs & Services (EOPS) is a California state-funded program that provides support services to low-income and educationally disadvantaged students facing various barriers to academic success. The goal of the program is to help eligible students meet their educational objectives. Services include but are not limited to: Academic and career counseling, book vouchers, EOPS grant for qualifying students and priority registration. Stop by to learn more about the FREE services EOPS provides to qualifying applicants.

CARE
Eops.missioncollege.edu | SEC-148
The Cooperative Agencies Resources for Education (CARE) Program, a component of EOPS, is designed to focus on the unique needs of single-parent students who receive CalWorks Cash Assistance/TANF funds. CARE endeavors to assist students in realizing their visions of educational success and economic independence. Program services include an additional grant, book services, workshops, and more. In order to maximize the resources available, students may participate in both CARE and CalWORKS at the same time.

EQUITY & SUCCESS
3sp.missioncollege.edu
Orientation | Assessment | Ed Planning | Follow-Up
We have developed four areas to help students achieve their academic goals. They are as follows:
Orientation allows you to learn about financial aid, registration, tutoring services, important locations on campus, types of degrees, and more, helping you adjust to your new college.
The Assessment Process helps you choose courses at the right level for you, making sure you don’t end up with work that is too difficult or taking classes below your skill levels. An Education Plan helps you identify the courses required to complete your goals and the best order in which to take them in, helping to determine the amount of time and money you will need to invest in your education. Follow-up services are developed to make sure you stay on track and continue to evaluate your process.
HONORS TRANSFER PROJECT
honors.missioncollege.edu | honors.mission@missioncollege.edu
The Honors Transfer Project supports ambitious, hard-working and intellectually curious students who want to challenge themselves academically and prepare themselves fully for transfer to a four-year institution. All Honors courses are CSU and UC transferable and are designed to strengthen students’ critical thinking, analysis, research, writing and communication skills. Honors Transfer Project students are offered the opportunity to interact with outstanding honors faculty, work closely with the Honors Counselor as well as participate in research conferences and other campus activities.

CAREER CENTER
Jobs.missioncollege.edu | SEC-122
The Job Placement Center located in SEC-122 is your resource for resumes templates, workshops, finding jobs, job fairs, and gaining internships and/or apprenticeships. Mission College hosts an exclusive jobs website at jobs.missioncollege.edu. Employers and students can register any time and search their field of interest.

MESA
mesa.missioncollege.edu | SEC-152
The Mathematics, Engineering, Science Achievement (MESA) Program supports students to successfully transfer to four-year universities in science, technology, engineering and math (STEM) majors. The MESA Community College Program is a partnership between MESA and the state Chancellor’s Office. Students are offered opportunities to improve skills in math and science, take part in events, volunteer, work closely with the MESA Counselor, and are introduced to the Bay Area’s STEM Community.

TRANSFER CENTER
transfer.missioncollege.edu | SEC-139
The goal of the Transfer Center is to identify, recruit and motivate students of diverse backgrounds to make well informed decisions as they complete their educational goals. The Transfer Center will help students navigate through the transfer process by assisting with choosing a transfer campus, understanding the admissions process, and assisting with filling out college applications. Additionally, the center provides resources for students to explore and establish major, transfer, and career goals.

TRIO
trio.missioncollege.edu | SEC-146
TRIO is a federally funded program that provides assistance for under-represented students in higher education. The program focus is to create a personalized experience for each student. We do this by providing a dedicated program counselor, academic advising, career counseling, graduation and transfer information, computer lab use, free copying and printing, university and company tours, tutoring, priority registration, among other services.

HSI STEMLINK PROJECT
Stem.missioncollege.edu | SCI-131
The Mission College Hispanic Serving Institution (HSI) STEMLink Project represents a five year, $5.4M U.S. Dept. of Education grant awarded in 2016 to help strengthen the pipeline of Latinx and low income students from area high schools. It works towards enrollment and degree completion, including transfer to four-year colleges, with an emphasis on degrees/careers involving STEM fields. The HSI STEMLink Project staff provides counseling services, hands-on experiences in STEM, mentoring, learning support services, student retention and activities that further enhance our STEM students’ academic experience. The goal is to graduate, transfer and be employed in Silicon Valley.

PUENTE PROJECT
puente.missioncollege.edu | CC-221
The Puente Project is a national award-winning program that for over 35 years has improved the college-going rate of tens of thousands of California’s educationally underrepresented students. As part of this transfer-prep program, Puente students take English 1AX and Counseling 5 in the fall semester. They then take English 1B and Counseling 7 in the spring semester. During both semesters, Puente students take part in required events, such as trips to university campuses, and receive mentoring from local professionals. Puente students work closely with their Puente counselor to transfer to a four-year school. This is a fall start program and students must enroll before the fall semester begins. Students are required to take the specific sections of each course as well as attend required events throughout the academic year.

VETERANS-VALOR CENTER
valor.missioncollege.edu | CC-240
The VALOR Center provides current and prospective Student-Veterans with their own one-stop place to access information, mentoring, study space, Computer Lab, tutoring, disability counseling, education planning, certification information, free printing, V.A. assistance, outside resource information, great free coffee, and get to know other veterans. The VALOR Center also coordinates calendar dates and access to an on-campus Medical Lab. The VALOR Center is open to all Student-Veterans regardless of benefits and Student-Veterans receiving benefits can also apply for V.A. Work Study employment on-campus.

WELCOME CENTER
welcome.missioncollege.edu | SEC-105 Main Lobby
Are you new to Mission College? Do you need help with completing admission forms, enrollment, registration, receiving class information, financial aid, my portal and canvas navigations or more? Visit the Welcome Center in the Student Engagement Center! Our friendly Student Ambassadors and staff are here to assist prospective and current students. They are familiar with the registration process and can assist you with a variety of services available for students. We also offer campus tours. Mission College is a multicultural campus and the Welcome Center staff is available to assist students in a variety of languages. Our mission here at Mission is to help you achieve your academic and career goals!

¿Eres nuevo a Mission College? ¡Empieza aquí!

Complete los siguientes pasos antes de inscribirse en clases si está aquí para hacer uno de los siguientes:

- Obtener un título de asociado o certificado
- Transferirse a la universidad y completar una licenciatura
- Mejorar en matemáticas, inglés o lectura
- Descubrir carreras de su interés o prepararse para una nueva carrera
- Explorar y seleccionar un programa de estudios

Paso 1: Presente Solicitud de Inscripción
- Envíe la solicitud en línea a missioncollege.edu.
- A los estudiantes les recomendamos que soliciten para ayuda financiera. Visite la página Financial Aid para más información.
- Active su correo electrónico del colegio a través de MyMissionPortal. Su contraseña temporal es Wvm@ (cumpleaños-6dígitos).

Paso 2: Determine Su Nivel de Colocación
- Visite el Centro de Evaluación, sala SEC-109 o visite la página missioncollege.edu para usar el Instrumento de Ayuda para Colocación en clases de matemáticas, inglés y lectura. Favor de notar que para tomar clases de inglés como segundo idioma, necesita tomar un exámen de evaluación para determinar su nivel.
- Si ha tomado las clases o el exámen de estas materias en otra universidad u otra escuela y quiere que sean consideradas como alternativa al exámen de evaluación, ingrese a la página Prerequisite, Corequisite & Advisory en missioncollege.edu.

Paso 3: Inscríbase a Una Orientación
- Inscríbase para COU 000A – Orientación a Mission College o COU 005, 023 o 145B
- Durante la orientación los estudiantes recibirán ayuda en seleccionar sus cursos y completarán un Plan Académico Abreviado.

Paso 4: Inscríbase a las Clases
- Para obtener ayuda, diríjase al centro de bienvenida en el vestíbulo del Centro de Participación Estudiantil SEC 105 o mywvm.wvm.edu.

Paso 5: Cree un Plan Académico
- Programa una cita de asesoramiento en la Oficina de Asesoría, sala SEC-139 o en línea a counseling.missioncollege.edu. Durante la cita hará un Plan Académico Comprensivo donde podrá identificar los cursos apropiados que le ayudarán para lograr su meta.
Payment Plan Options through Nelnet!
Mission College is committed to providing you with options to pay your enrollment fees. Through a partnership with Nelnet you can make payments to make your educational dreams possible. *These standards are based upon the federal poverty guidelines, as published each year by the U.S. Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the student or student’s family must have a total income in the base year (in this case, 2017) that is equal to or less than 150% of the U.S. Department of Health and Human Services Poverty Guidelines based on family size. The base year is defined as the income year used for the determination of an expected family contribution (EFC) for federal Title IV student financial aid unless professional judgment is exercised by a financial aid office to use the current year income. These income standards are for the 2019-2020 academic year and are to be used to determine California College Promise Grant B, CCPG-B, eligibility EFFECTIVE July 1, 2019.

Mission College SmartPass
Mission College has partnered with Santa Clara VTA to offer its students a SmartPass which grants unlimited rides on VTA light rail and buses throughout the Santa Clara County, provided their student fees are paid.

- Students can visit the Information Desk located in the Campus Center and provide a government issued picture ID, Student Schedule, and Registration Fee Assessment
- After the Campus Center staff takes a photo, the student will receive a Clipper card
- It may take up to three (3) business days for the card to be activated. That’s it!

The SmartPass will automatically renew each semester once all fees are paid in full. Students keep the same card from semester to semester and do not need to get it replaced. You paid the fee, now ride for free! For more information, please visit the Information Desk or the Mission College website under Campus Life.

MISSION COLLEGE
SCHEDULE OF CLASSES
2019 SUMMER AND FALL CLASSES

ADMISSIONS AND REGISTRATION INFORMATION

MISSION COLLEGE GRANTS ADMISSION TO ANYONE WHO IS...
1) a high school graduate.
2) eighteen (18) years of age or older.
3) a non-high school graduate, above 16 years of age, who has in his/her possession at the time of registration one of the following:
   • Certificate of the State Proficiency Test.
   • G.E.D., California high school (HS) Equivalency Certificate.
   • A formal, written document from the student’s high school district indicating he or she is exempted from any high school attendance.
   • a high school student in grades 10 -12 whose admission as a part-time student is recommended by his or her high school principal.

To be considered California residents for enrollment fees purposes, applicants who have eligible immigrant status or are out-of-state US citizens must reside in California for more than one year and one day prior to the first day of the term.

APPLY AND REGISTER
Apply online by following the link, Apply Now, on the Mission College home page. After applying you will receive an email verifying your application has been successfully submitted. A second email will follow with your college number, your WVM District issued email address (yourname@mywvm.wm.edu), and the date when you can start registering for classes. If you do not enroll for classes for two consecutive terms (Fall & Spring, or Spring & Fall) you will need to re-apply to the college and update your student profile to receive a new registration date. For inquiries about your online application contact apply@missioncollege.edu

If you must submit a Student Petition form request, or any other documentation before registration, go directly to Admissions & Records for assistance at least two weeks before the start of the term.

Register on or after your assigned registration date via My Mission Portal at www.missioncollege.edu

REGISTRATION FEES
Payment of fees is due at time of registration.

The West Valley-Mission Community College District has instituted a drop for non-payment policy. Students with outstanding balances on their accounts will be dropped from their courses before the beginning of the term. Students with a CCPG, or a Nelnet payment plan in place, or those with established 3rd party payments are exempt.

Be prepared to pay any outstanding balance on your account at the time of registration. Outstanding account balances will block you from being able to register in the future. Payments can be made either in-person or online.

Mission College encourages all students to apply for financial aid for assistance with paying enrollment fees. To apply visit the Mission College financial aid page for more information at http://www.missioncollege.edu/student_services/financial_aid/default.html or come to the Financial Aid office for help. Payment plans can also be set up via Nelnet at www.MyCollegePaymentPlan.com/wmvc.

WVM ISSUED EMAIL
All students registered in the WMV District will be assigned a WVM district email, yourname@mywvm.wm.edu. Students are expected to access their WVM issued email on a regular basis as email is the standard mode of communication with students. All email communication from Mission will be sent to the WVM email address. Communication to personal email accounts will not take place. To access your email account go to the West Valley Mission portal page, https://web.wvm.edu/#/portal

ASSEMBLY BILL 540, ASSEMBLY BILL 2000, AND SENATE BILL 68
Mission College is committed to providing access to all eligible students regardless of immigration status. Any resident student, except a non-immigrant alien, who meets all the following requirements shall be exempt from paying the nonresident tuition. AB 540, AB 200, and SB 68 are state programs that are entirely separate and distinct from the Deferred Action For Childhood Arrivals (DACA) and federal enforcement of immigration laws.

The AB540/AB2000/SB 68 Affidavit grant in state tuition and allow income-eligible students to apply for AB 130 and 31 (California state financial aid and scholarships.)

| I attended a California high school for three (3) years or more. | I graduated with a California high school diploma (or expect to graduate and use this exemption in the following year) or have the equivalent (i.e., California issued GED or CHSPE).
| I have three (3) or more years of high school coursework and/or attended a combination of California elementary, middle and high school for three (3) years or more. | I completed an associate degree from a California Community College.
| I attended a combination of California high school, adult school and community college for the equivalent of three (3) years or more.* | I completed the minimum requirements as a California Community College student for transfer to the California State University of the University of California.

A year’s equivalence at a California Community College is either a minimum of 24 semester units or credit or 54 quarter units. For non-credit courses, a year’s attendance is a minimum of 840 semester hours or 1890 quarter hours. Full-time attendance at a California adult school is a minimum of 420 hours of attendance for each school year.

- Students seeking to be reclassified under AB 540/SB 68/AB 2000 should complete an affidavit with the office of Admissions & Records stating that he or she has filed an application to legalize his or her immigration status or will file an application as soon as he or she is eligible to do so, AND
- Do not hold a valid non-immigrant visa (F, J, H, L, A, AB, C, D, E, etc.)*.

*If you graduated early from high school, under this provision you must also have attended CA schools (elementary and secondary) for a cumulative total of 3 or more years.

**This legislation does not apply to students who hold an F-1 Visa for International Students. Eligible non-resident students must file a “California Nonresident Tuition Exemption Request” form with Admissions & Records. Non-resident students who are exempt from paying nonresident tuition under this legislation may be eligible for a California College Promise Grant (CCPG).

DUAL ENROLLMENT-HIGH SCHOOL STUDENTS REGISTRATION
Dually enrolled special part-time high school students can register in-person starting on their assigned registration dates for the term in which they want to enroll. High school students are required to submit an online Application for Admission for each term they want to attend and to submit a High School Dual Enrollment form at the time of registration. Registration in any college course must be approved by the student’s high school principal or designee, and students are required to meet any and all prerequisites for the course(s) into which they want to enroll. Photo identification is required for all transactions and the student MUST be present at the time of registration. The High School Dual Enrollment form may be obtained online at missioncollege.edu (Admission page/Forms). Basic service fees will be charged. High school dual enrollment students will be required to pay lab fees and the mandatory health fee. Dually enrolled special full-time high school students registering in over 11.5 units are required to pay for all enrollment fees. Students admitted to the Mission College Early High School are exempt from paying the enrollment fees. High school students enrolled in courses offered at their local high school are exempt from paying the health fee.

Dually enrolled high school students may not be allowed to register into Kinesiology and 900 level courses.

AUDITING OF COURSES
The Governing Board of the West Valley-Mission Community College District, under the provisions of Chapter 5, Section 76370 of the Education Code, hereby authorizes individuals to audit regularly scheduled credit courses, subject to the following conditions and provisions:

1. The student must meet college eligibility requirements for admissions to audit courses.
2. The student must be an active student with the West Valley Mission Community College District.
3. The student must be in good academic standing.
4. The student must have previously enrolled in the maximum number of times allowed for credit in the course being requested for audit, meaning that the student must be otherwise ineligible to take the course she or he wishes to audit.
5. The current legislated fee of $15.00 per unit per semester shall be charged for each course audited. A student auditing three or fewer semester units per term shall not be charged the audit fee if enrolled in 10 or more units for credit during the same term.

missioncollege.edu • Santa Clara, CA • Across from Great America
6. A student auditing a course shall not be permitted to change enrollment status in that course to receive credit for the course.
7. Audit registration will only be processed after the last date to add a course as posted in the class schedules and will require permission of the Instructor-of-Record, including signature authorizing audit registration in the class.
8. All current and outstanding fees must be paid at the time of Audit Registration. Auditing fees are non-refundable after two weeks or 10% of class meetings of attendance.
9. The course must be approved by the department-of-record as an auditable course.
10. The student must enroll for the maximum number of course units available if the course is a variable unit class.
11. The college will not maintain any attendance or academic record of an audited course, and no credit or grade will be received for a course that is audited.

The ‘Request to Audit’ form is available at the Welcome Center or online at missioncollege.edu (Admission page/Forms).

**ENROLLING INTO CLASSES**

Students can register for classes online via My Mission Portal starting on their assigned registration dates and until the day before the first meeting day of the classes. They can also register in-person at Admissions & Records located in SEC 118.

**CLASS WAIT LIST**

A class wait list is started when a class reaches its maximum enrollment capacity during the registration period. Students can add their names to a wait listed class before the class begins. During the registration period, if a student drops from a class that has a wait list, the first student on the wait list will be notified via email that a space in the class is available. The notified student will have up to 48 hours to register into the class. Should the notified student not enroll in the course the student will be removed from the wait list and the next student on the wait list will be notified that a space in the class is available. The notification system will continue to notify students on the wait list until a notified student enrolls in the class or the class starts, whichever comes first. Students on wait lists are advised to monitor their email regularly to check for any wait list status(es) notifications. Students that place themselves on a wait list and change minds about being on a wait list are asked to drop themselves from that wait list to allow other students to move up on the wait list.

Note to High School Students on Wait Lists: In-person registration services are not available during the weekend. By placing yourself on a wait list you are at risk of receiving a notification to register that may expire during a weekend. Should the notification expire you will not be automatically added to the wait list and if you want to be added to the wait list again you will be placed at the end of the wait list.

**ADDING A CLASS WITH ADD CODES**

On and after the first day of instruction and through the Add/Drop period students that want to add into a class must contact the instructor and ask for a four digit “Add Code.” Students will use add codes to enroll themselves into a course via My Mission Portal. Students must use assigned add codes before the Add/Drop period deadline (see Calendar for dates). A different add code is required for each class to be added on or after the first class meeting. Successfully adding a course online with an add code is a two-step process 1- validation, 2- submitting changes. Visit the Welcome Center for assistance with adding a class using an add code, if needed. Students may not be able to add a course on or after census date except with the written permission of the course instructor and the approving signature from the Division Dean to which the course belongs.

**MULTIPLE WITHDRAWALS FROM THE SAME COURSE**

Effective July 1, 2009, college policy has limited the number of times that a student may withdraw from the same course. A student may withdraw and receive a “W” symbol on his or her academic records a total of three (3) times for enrollment in the same course. After the third “W,” the registration system will block registration into the course. See the current term calendar for the deadline to drop a class.

**DROPPING/WITHDRAWING FROM CLASSES**

It is the student’s responsibility to drop/withdraw from classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If you do not drop classes that you no longer want to be enrolled in by the published deadlines, you, the student, will be responsible for payment of all enrollment fees related to the class (even if the you never attended), and for any grade assigned by the instructor. Check the current term calendar in this schedule of classes or online for the deadlines to drop classes. Classes may be dropped via My Mission Portal. The instructor’s signature is not required to drop classes.

**REFUNDS**

To be eligible for a refund of enrollment fees students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Adding classes after the refund deadline will require that new fees be paid. Refund requests for ASB cards and Parking Permits must be made at the Admissions & Records by the “last day to drop with a refund” deadline. A parking permit refund requires the return of the parking permit. Refunds for Credit Card payments will be returned to the credit card used to pay the fees. Check and cash payments will be refunded by one of three methods as chosen by the student: 1) refund loaded to a student-assigned debit card; or 2) refund transferred via ACH to student’s personal banking account; or 3) by check mailed to the student’s current home address on record. It is important that we have a current address on file. From the date requested it can take 4 to 6 weeks for a refund to be received.

**NOTIFICATION OF TAX IDENTIFICATION NUMBERS (TIN) OR SOCIAL SECURITY NUMBERS (SSN) REQUIRED COLLECTION & USAGE**

Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN. A student may refuse to disclose his or her SSN or TIN to the IRS but the IRS is then authorized to fine the student in the amount of $50.

The West Valley Mission College District assigns a unique student ID to every student and does not use the SSN or TIN as a student’s identifier. All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).

**How to Apply for Financial Aid**

**Step 1:** Complete the Free Application for Federal Student Aid (FAFSA) on the web at www.fafsa.gov. You will first need to create a FSA ID to login, and then and complete the application. Students without a Social Security number or AB540 eligible may apply at www.CalDreamAct.org https://dream.csac.ca.gov/ by March 2.

**Step 2:** Wait two to three weeks for processing. FAFSA applicants will receive two emails. Access the Financial Aid tab inside the West Valley-Mission Portal, College Web Services link for updates for application status and missing documents.

California Dream Act applicants: Dreamers should follow up directly with the Financial Aid office for review of aid eligibility.

**Step 3:** Submit the required supporting documents and any requested copies of income tax transcripts to the Financial Aid Office. Make sure all documents are signed. Forms may also be faxed to (408)855-5546.

**Step 4:** The FAFSA or Dream Act application review process can take up to three weeks. Monitor your application status by logging into My Mission Portal. Check your email for updates. Federal Direct Stafford Loan Application packets are available in the office or online under the Financial Aid tab inside the West Valley-Mission Portal, My Web Services link. FAFSA applications must be at ‘File Complete’ status for loan applications to be reviewed.

Federal Financial Aid

**Grants:**
- **Federal Pell Grant** - maximum annual award $6095
- **Federal SEOG** - Supplemental Educational Opportunity Grant - average annual institutional award $600
- **Loans:**
  - **Federal Direct Loan - Subsidized** maximum annual award $3,500 for the first year, $4,500 for the second year
  - **Federal Direct Loan - Unsubsidized** maximum annual award $6,000
- **Federal Work-Study** - Average Institutional award $4,000

Detailed information about the federal financial aid programs is available from the U.S. Department of Education by telephone at 1-800-4-FEDAID (1-800-433-3243) or at the Department of Education website at www.studentaid.ed.gov

**Federal School Code:** 014458

Institutional Aid

**Grants/Scholarships** - A variety of scholarships are offered by donors from within and off-campus. Awards range from $500 - $5,000

**Financial Aid Books Loan Advance:**

Book Loans are processed as a financial aid advance to students with completed financial aid files and who are eligible for federal financial aid.

*May be limited by availability of funds.

**Federal Work Study (FWS) Employment**

A variety of part-time Federal Work Study employment opportunities are available; hourly rates range from $11.00 to $15.75. Students must be enrolled in a minimum of 6 units per term to be employed.

To receive any of the above financial aid resources students must meet program eligibility criteria. Visit the Financial Aid office for more information or the specific program office(s) on the Mission College campus.

**Important:** Cal Grant funding is limited to 4 academic years. In order to graduate in 4 years, you must complete 15 units or more per semester or the equivalent quarter units. Create a plan with your academic counselor to ensure you will graduate in four years.

Generally, financial aid eligibility is established once a student has shown through an application that the following criteria are satisfied:
- Be a U.S. citizen or eligible non-citizen or meet AB540 criteria.
- Be enrolled or intend to enroll as a regular student in an eligible program of study for the purpose of obtaining a degree or certificate.
- Show financial need.
- Not be in default on an educational loan nor owe a refund to any financial aid office.
- Be registered, or formerly registered, with the Selective Service (for male students only).
- Have the ability to benefit from the education offered. This can be met by holding a high school diploma, GED, passing the CHSPE (CA HS Proficiency Exam) or be home-schooled certified.
- Be making satisfactory progress.

**Student Employment:** Part-time student employment opportunities are available at Mission College.

The purpose of student employment is to:
1) provide students with extra money to help them with their educational needs, and
2) provide work experience in connection with an educational program and/or the acquisition of general work habits such as: punctuality, understanding and following directions, working with others, etc.

**Federal Work Study employment** positions are only available to students with Federal Work Study Awards (FWS); hourly rates range from $11.00 to $15.75. Students must be enrolled in a minimum of 6 units per term to be employed. For more information on Federal Work Study employment opportunities contact the Financial Aid Office located in SEC 118.

**Student hourly employment** positions are available to the general student population and are funded by departmental budgets. Hourly pay rates range from $11.00 - $15.75. Wages are considered taxable income. For more information on student hourly employment opportunities contact: Andrew Soliz, Program Specialist, Job and Internship Placement Center at (408)-855-5304 or at andrew.soliz@missioncollege.edu

Scholarships

Mission offers over 150 scholarships. Applications are available in mid-to-late January and have an early March deadline. Others are advertised throughout the school year. Criteria for each scholarship varies widely, including community service, financial need, high grade point average, overcoming obstacles, majoring in certain fields and many more. Additional scholarship information can be found on our scholarship on our web page: missioncollege.edu/scholarships
Late Start and Short-term Classes
Late start and short-term classes are available each term to meet students’ needs. Students can add/register into open classes via the My Mission Portal until the day before the class starts. After classes start an add code, provided by the instructor, is required to add into the class. Students will not be able to add into a class after the late add period has lapsed. For the most up-to-date course listings, go to the Mission College home page at www.missioncollege.edu and under the Programs & Services tab select Search Classes.
All classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission College. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites, or due to other practical considerations, such as exemptions set out in statute or regulation.

Photography
Mission College, a non-profit California Community College, reserves the right to use photography and video images of students and visitors 18 years and older taken on our property and at college-sponsored events for marketing and promotional purposes. Objection to the use of an individual’s photograph may be made in writing to the Marketing Office, Student Engagement Center, Room SEC-348.

COURSE REPETITION AND FAMILIES OF COURSES
New State regulations severely limit the ability of courses to be repeated after receiving a passing grade. In addition, there are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called “families” within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines. West Valley and Mission College courses in these defined families are linked, independent of the location taken, and students may only attempt up to four courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms – this is a cumulative count of attempts. If a family has less than four courses in its offerings and you have received passing grades for each of its courses, the maximum attempts allowed may be less than four.
Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of attempts beyond four within an individual family.

Refer to the table in the online schedule, campus catalog or consult with a Counselor to review the full list of courses within families.

PARKING INFORMATION

PARKING REGULATIONS - OVERVIEW
A valid student, staff, or one-day “daily” visitor parking permit is required to park on campus. Student and visitor parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT
A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a semester-length permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. If you are a Financial Aid student receiving a California Promise Grant (Formerly Board of Governors Waiver), you can purchase your permit online but you must do so via the link in the student portal located on the college website, and you must enter your student ID number when prompted.

Semester-length parking permit refund requests must be made in accordance with the refund schedule identified by Admissions. For permits purchased in-person at the Admissions Office, please take your permit to the Admissions Office to request a refund. For permits purchased online and mailed to your home, please take your permit to the District Police office.

One-day “Daily” parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are $3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

SUMMER SESSIONS PARKING INFORMATION
There is no student parking grace-period offered during any of the summer sessions. All vehicles parked on campus during the summer sessions must have a valid parking permit properly displayed at all times.

FALL SEMESTER PARKING INFORMATION
A student “grace-period” will be observed during the week immediately prior to the start of the fall semester and during the first week of the fall semester. (Monday, August 19, 2019 – Monday, September 2, 2019.) Please note that the grace-period no longer includes the second week of the semester. During the “grace-period” no parking citations will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Tuesday, September 3, 2019.

GENERAL PARKING INFORMATION

VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A, or in our new visitor lot, located next to the Student Engagement building at front entry circle. Visitors planning a longer visit to campus should purchase a one-day “daily” parking permit at any of the daily permit dispensers located in parking lots B, C and D.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING – Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

ELECTRIC VEHICLE CHARGING – Electric vehicle charging stations, also known as “E.V.” stalls, are located in the front row of Parking Lot D. Students, staff, and visitors are welcome to use the charging stations; however, a valid student, staff, or one-day visitor permit must be displayed on the vehicle while it is parked in an “E.V.” charging stall. In addition to the permit requirement, all vehicles parked in an E.V. stall must also be actively charging and must not exceed the posted time limit.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the Campus Center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

DISCLAIMER - This is only a summary of the District’s parking procedures and regulations. All procedures and regulations are subject to change. For the most current and complete procedures and regulations, please visit us online at https://wvm.edu/parking.

QUESTIONS? CONTACT US - Parking Services can be reached by calling 408.855.5435, or via e-mail at parking.services@wvm.edu, or at by visiting us at the District Police Office located in the Campus Center.

### BIOSC 001A
**General Biology: Organisms (3.0 Lecture/2.0 Lab)**
Prerequisite: BIO 001A
This course examines the unity and diversity of multicellular life, ecological and evolutionary principles, and form/function relationships in plants and animals. The course is designed for students majoring in the biological sciences or seeking entry to professional programs such as Medicine, Pharmacy, and Dentistry.
Transfer: CSU/UC

BIO 014 **Introductory Neuroscience** (3.0 Lecture)
This course is an introduction to the organization and functions of the nervous system. The physiology of the brain and senses are discussed. Emotions, sleep, language, attention, memory, and a survey of nervous system disorders are explored. Pass/No Pass Option. Transfer: CSU/UC 8/24 -12/14
71896 ONLINE Neary NOTE: This section meets ONLINE only using the Canvas online learning management system. To add this class on or after the first day of instruction, students must contact the instructor directly at kelly.neary@missioncollege.edu.

BIO 016 **Marine Biology** (3.0 Lecture/1.0 Lab)
This four unit course introduces students of all disciplines to ocean ecology and marine life. Topics are explored through classroom learning and seven required field trips to local marine habitats and research facilities in the San Francisco and Monterey Bays. Some field trips may extend beyond regularly scheduled class meeting time. Students arrange their own transportation to the field sites. Pass/No Pass Option. Transfer: CSU/UC 8/24 -12/14

### CIS 037A Introduction to C Programming

**3.0 Lecture/1.0 Lab**

This course is an introduction to the concepts and methods of computer programming using C language. The course covers data types, expressions, control structures, functions, sequential files, arrays, pointers, strings, string library and ADTs. It also covers low level programming elements such as memory manipulations, pass-by reference pointers, structs and bit level manipulation. Pass/No Pass Option. **Transfer: CSU/UC 8/24 -12/14**

71022 M 10:55AM - 2:05PM Sabherwal GC 204
W 10:55AM - 2:05PM Sabherwal GC 204

71023 W 6:30PM - 9:40PM Al-Hussein GC 202

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly at saroj.sabherwal@missioncollege.edu.

### CIS 039 Introduction to Computer Systems

**2.5 Lecture/0.5 Lab**

This course provides a solid introduction to computer systems and machine language programming. Students learn the inner working of computer systems, instruction sets, assembly language programming, and data representation. Students also learn how to understand the code that a compiler generates, the memory layout and hierarchy, and the details of linking and loading. Pass/No Pass Option. **Transfer: CSU/UC 8/24 -12/14**
71019 F 1:00PM - 3:30PM Mortezaie GC 219 ONLINE

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly at faramarz.mortezaie@missioncollege.edu.

CIS 040 C++ Programming (3.0 Lecture/1.0 Lab)

Advisory: CIS 037A This is an introductory course in programming using C++. Students learn to design, code, and execute programs using the C++ programming language. This class includes control structures, functions, object-oriented programming concepts and topics. Pass/No Pass Option. Transfer: CSU/UC 8/24 -12/14

71024 F 9:00AM - 12:10PM Gheorghiu GC 204 F 12:20PM - 3:30PM Gheorghiu GC 204

CIS 043 Software Development With Java Programming (3.0 Lecture/1.0 Lab)

This course is an introduction to the concepts and methods of computer programming with an emphasis on OOP (Object-Oriented Programming), using Java programming language. This course also includes applets, GUI (graphical user interface), arrays lists, arrays, streams and exception handling. Pass/No Pass Option. Transfer: CSU/UC 8/24 -12/14

71025 T 10:55AM - 2:05PM Sun GC 208 R 10:55AM - 2:05PM Sun GC 208

71027 ONLINE Sun

NOTE: This section meets ONLINE only using the Canvas online learning management system. To add this class on or after the first day of instruction, students must contact the instructor directly at helen.sun@missioncollege.edu.

CIS 044 Intro to Data Structures Using Java (3.0 Lecture/1.0 Lab)

This course is an advanced course in Java Programming Language. It covers basic data structures such as stacks, lists, dynamic arrays, trees, and the algorithms of their implementation. Pass/No Pass Option. Transfer: CSU/UC 8/24 -12/14

71039 T 10:55AM - 2:05PM Mortezaie GC 204 R 10:55AM - 2:05PM Mortezaie GC 204

71031 S 9:00AM - 12:10PM Mneimneh GC 208 ONLINE

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly maher.mneimneh@missioncollege.edu.

CIS 045 Linux Essentials I (2.5 Lecture/0.5 Lab)

This is an introductory course in the Linux operating system. Students learn the basic Linux commands and utilities, including files, editors and shell scripting. Pass/No Pass Option. Transfer: CSU 8/27 -10/17

71042 TR 6:30PM - 9:00PM Abu-Zaina MT 22 ONLINE

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly faramarz.mortezaie@missioncollege.edu.

CIS 046 Linux Essentials II (Shell Programming) (2.5 Lecture/0.5 Lab)

This course builds upon CIS 045. Linux Essentials I, to cover shell and scripting in depth. Students learn to program in Bourne Again Shell, including variables, expressions, control structure, files and subroutines. This course also includes networking, internet and Perl scripting. Pass/No Pass Option. Transfer: CSU 10/22 -12/12

71043 TR 6:30PM - 9:00PM Abu-Zaina MT 22 ONLINE

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly at hasan.abuzaina@missioncollege.edu.

CIS 047 Linux System Administration I (3.0 Lecture/1.0 Lab)

This is an introductory course in Linux system administration. Students learn hands-on skills for Linux administration, including system initialization, file system management, user and services administration and network configuration. Pass/No Pass Option. Transfer: CSU 8/24 -12/14

71044 S 9:00AM - 12:10PM Campbell MT 22 S 12:20PM - 3:30PM Campbell MT 22

CIS 055 Introduction to Database and SQL (2.5 Lecture/0.5 Lab)

This course covers the concepts of relational databases and SQL query language. Students learn to create tables, insert data, update data and retrieve records in a database. This course introduces students to widely used database systems such as Oracle, Microsoft SQL server, and MySQL. Pass/No Pass Option. Transfer: CSU 8/26 -10/16

71055 MW 6:30PM - 9:00PM Magid GC 219 ONLINE

NOTE: This is a HYBRID section that meets both ONLINE using the Canvas online learning management system and ON-CAMPUS. To add this class on or after the first day of instruction, students must contact the instructor directly samir.magid@missioncollege.edu.

CIS 056 Database Essentials - PL/SQL (2.5 Lecture/0.5 Lab)

Advisory: CIS 055 This course is an introduction to database programming and management. It builds upon the basic database and SQL course to cover stored procedures, functions, packages, and database triggers. Pass/No Pass Option. Transfer: CSU 10/21 -12/11
ONLINE FALL CLASSES: At the start of the term, registered students should access online courses via Canvas at wvm.instructure.com or visit COLLEGE WEB SERVICES available at mywvm.wvm.edu or schedule.missioncollege.edu for the latest class schedule information.

CIT 016 CyberSecurity and Ethical Hacking (3.0 Lecture/1.0 Lab)
This course is an introduction to IT security and ethical hacking using the latest operating systems, security techniques, and wireless standards. It also covers the fundamentals of system security, network infrastructure, access control, assessments and audits, cryptography, and organizational security. Students gain hands-on experience with various ethical hacking methods and techniques. Pass/No Pass Option. Transfer: CSU

**COM 019A Communication Activities (1.0 Lab)**
In this course students may participate in one or more speech communication activities such as training to be a Teaching Assistant, competing in speech competitions, and facilitating ESL conversation groups. Students are required to meet one-on-one with the instructor regularly to conduct and assess activities. Eligibility for ENG 001A and REA 054 Pass/No Pass Option.

**COM 020 Argumentation and Debate (3.0 Lecture)**
This is a basic course in rhetorical theory and practice. Students engage in argumentation and debate while learning the means of discovering and supporting intelligent decisions and adapting them to particular audiences. Attention is given to distinguishing fact from inference; presenting, analyzing and refuting propositions of fact, value, and policy; identifying and applying types and methods of reasoning; correct use and analysis of evidence, and the identification and analysis of fallacies. Transfer: CSU/UC

**COM 020H Argumentation and Debate - Honors (3.0 Lecture)**
This honors course provides an introduction to rhetorical theory and practice. Students engage in argumentation and debate while learning the means of discovering and supporting intelligent decisions and adapting them to particular audiences. Attention is given to distinguishing fact from inference; presenting, analyzing and refuting propositions of fact, value, and policy; identifying and applying types and methods of reasoning; correct use and analysis of evidence, and the identification and analysis of fallacies. Students cannot receive credit for both COM 020 and COM 020H.

**Counseling (COU)**

**COU 000A Orientation to Mission College (0.5 Lecture)**
This course provides new students with basic information needed to attend college. It includes an orientation to Mission College programs and services, assessment information, registration procedures, an overview of general education requirements, and educational planning. Pass/No Pass Only.

**COU 005 Strategies For Success (3.0 Lecture)**
This is a comprehensive course that integrates critical and creative thinking proficiency, personal growth and values, and academic study strategies. Emphasis is on the attainment of life-long success in academic, professional and personal development. Pass/No Pass Option. Transfer: CSU/UC

**COU 007 University Transfer Planning (1.0 Lecture)**
This course provides in-depth information and assistance with the transfer process to 4-year colleges/universities. Pass/No Pass Option. Transfer: CSU/UC

**COU 007H University Transfer Planning - Honors (1.0 Lecture)**
This honors course provides in-depth information and assistance with the transfer process to 4-year colleges/universities. Students cannot get credit for both COUNS 007 and COUNS 007H. This section requires enrollment in the Honors Transfer Project. More information and the online application can be found at http://honors.missioncollege.edu.
**COU 012**  Careers and Life Styles  (3.0 Lecture)

This course assists the student in examining the components of career choice. Students will explore personal interests, values, abilities and skills. Self-assessment instruments will be used to help identify career options. Decision-making strategies, resume writing, interviewing skills and job search techniques will be reviewed. Pass/No Pass Option. Transfer: CSU

Prerequisite: Placement into Math D or higher by the Mission College Mathematics Placement Exam, or Prerequisite: MAT 000C; or Prerequisite: MAT 000CM and Prerequisite: MAT 000MX  
Students study trigonometric functions including applications to triangles, circular functions, radian measure, graphs and polar coordinates, trigonometric identities, inverse trigonometric functions, vectors, and complex numbers. Pass/No Pass Option. Transfer: CSU  
NOTE: This section requires use of MyMathLab (MML) via the Internet. Students have the choice of buying only the WA access code since WA provides an online textbook. | 72637 MW 10:55AM - 12:20PM | GC 110 | Davis | 3.0 |
| MAT 001    | College Algebra (4.0 Lecture)  
Prerequisite: MAT 000C or satisfactory score on an appropriate Mathematics Placement Exam or Prerequisite: MAT 000CM  
This college-level course in algebra covers the following topics: polynomial, rational, radical, exponential, absolute value, and logarithmic functions; systems of equations; theory of polynomial equations; and analytic geometry. Pass/No Pass Option. Transfer: CSU/UCC  
NOTE: This section requires use of MyMathLab (MML) via the internet. Students have the choice of buying only the MML access code since MML provides an online textbook. | 70550 MW 8:15AM - 10:20AM | GC 116 | Davis | 4.0 |
| MAT 002 | PreCalculus and Trigonometry (6.0 Lecture)  
Prerequisite: MAT 000C or Prerequisite: MAT 000C or Prerequisite: Satisfactory score on an appropriate Mathematics Placement Exam. This course incorporates all topics found in pre-calculus algebra (MAT 001) and trigonometry (MAT 000D). This is an intensive course for the highly motivated and very well prepared student. Pass/No Pass Option. Transfer: CSU/UCC | 70551 MTWR 8:15AM - 9:40AM | GC 202 | Vu | 6.0 |
| MAT 003A | Analytic Geometry and Calculus I (5.0 Lecture)  
Prerequisite: MAT 002 or placement into the course by the Mission College Mathematics Placement Exam. This is the first part of the three-semester calculus sequence. Topics include functions, limits, continuity, differentiation and integration, and applications for polynomial and transcendental functions. Pass/No Pass Option. Transfer: CSU/UC | 70556 MW 12:40PM - 3:10PM | GC 226 | Davis | 5.0 |
| MAT 003B | Analytic Geometry and Calculus II (5.0 Lecture)  
Prerequisite: MAT 003A or Prerequisite: MAT 003AH This is the second part of the three-semester calculus sequence. Topics include infinite series, vectors in the plane, parametric equations, conic sections, polar coordinates and integration techniques with applications. Pass/No Pass Option. Transfer: CSU/UC | 72627 MW 12:40PM - 3:10PM | SEC 203 | Davis | 5.0 |
| MAT 003D | Multivariable Calculus (4.0 Lecture)  
This course covers vector-valued functions, calculus of functions of more than one variable, partial derivatives, multiple integration, Green's Theorem, Stokes' Theorem, and the divergence theorem. Pass/No Pass Option. Transfer: CSU/UC | 70582 MW 4:45PM - 6:50PM | GC 303 | Davis | 4.0 |
| MAT 004A | Differential Equations (4.0 Lecture)  
Topics include ordinary differential equations, with emphasis on linear equations, and partial differential equations. Methods include Laplace Transforms, power series, Fourier series, numerical solutions and applications. Pass/No Pass Option. Transfer: CSU/UC | 70585 TR 4:45PM - 6:50PM | GC 303 | Reed | 4.0 |
| MAT 004B | Linear Algebra (4.0 Lecture)  
This course covers basic linear algebra including systems of linear equations, Gaussian elimination, determinants, matrices, vector spaces, transformations, eigenvalues, and eigenvectors. Pass/No Pass Option. Transfer: CSU/UC | 70587 MW 12:40PM - 2:45PM | GC 302 | Reed | 4.0 |
MAT 009  Integrated Statistics II  (5.0 Lecture)
Prerequisite: MAT 009 This is the second of two courses in the Statway sequence. Students study probability, descriptive and inferential statistics including probability distribution, hypothesis testing, linear regression and applications. Current statistical technology packages are used. This sequence is recommended for students with majors that require no mathematics beyond freshman-level statistics. Successful completion of both Math 009 and Math 009 is required to satisfy CSU and UC transferability. Pass/No Pass Option. Transfer: CSU/UC

PHARMACY TECHNICIAN PROGRAM
According to the Bureau of Labor Statistics, the health care industry is experiencing accelerated growth and workers with health care knowledge and skills are in high demand. Community Education is offering a few introductory training classes and programs that can help you get started or enhance your career in healthcare. Imagine... a career in the exciting and booming healthcare industry!

Pharmacy Technician Training Program
The Mission College Pharmacy Technician Training Program has been a leader in pharmacy training for over a decade and can train you to be a pharmacy technician in about 8 months. We’re committed to student success and the development of competent, motivated pharmacy technicians who will become valued assets to the Bay Area pharmacy community. Our dynamic program starts with 300+ hours of lecture, lab, and group activities and ends with a clinical internship at an assigned pharmacy where students will sharpen their skills alongside trained pharmacy personnel. A dedicated faculty of pharmacists, certified pharmacy technicians, and pharmacy supervisors from various practice settings engage students in a new state-of-the-art lab that is complete with computer stations, a compounding lab, and a full simulation pharmacy. We even offer job placement assistance, career and pharmacy school advising during and after the program. Ask around or come take a tour, and you’ll learn that our program provides the most contemporary, realistic and comprehensive training and career support available in the area! Join us...and invest a few hours a day to start your new pharmacy career.

COURT MANDATE CLASSES
Drug Diversion, Anger Management and Impulse Control: For over 15 years, Community Education has worked with the Santa Clara County Courts and Probation Departments to provide quality classes on topics such as Minors in Possession, Marijuana and Other Controlled Substances, Anger Management and Petty Theft Diversion. All classes are held on the Mission College campus and are conducted by Licensed Psychotherapists and Marriage and Family Therapists with private practices in couples and drug counseling, working with minors and adults. For more information call 408.855.5105.

MOTORCYCLE SAFETY TRAINING
Community Education at Mission College with Two Wheel Safety Training (TWST) offers the basic riders course at Mission College! TWST is a motorcycle riding school, contracted by the California Motorcyclist Safety Program (CMSP) and the Total Control Training, Inc. to provide Motorcyclist Training Course (MTC) for beginners and Intermediate Riding Clinics (IRC) for the more experienced rider.

Registering For The Class
For more information please see the TWST website (2wheelsafety.com) or call 510-784-8978.

ONLINE ONLY CLASSES WITH OUR PARTNER ED2GO
Mission College offers a wide range of Online Courses. Subjects include topics related to Career and Professional Development, Computer and Technology, Writing and Publishing as well as Personal Development. ed2go.com/mcomedu.

OLDER ADULT NON-CREDIT CLASSES
Community Education offers a number of non-credit classes for our community designed to meet the special needs, interests and capabilities of students who do not desire college unit credit. Although noncredit courses are based on college approved curriculum and taught by qualified instructors, they differ from credit courses in some respects.

Noncredit courses are:
• FREE of charge (some classes have a small material fee)
• Open to all students of the community without residency requirements
• Open-entry/open-exit and students may register anytime during the school year (provided that space is available)
• There are no tests, quizzes or letter grades given
• Registration is quick and easy through the Community Education department.

Older Adult Program
These courses are free for seniors and offered at numerous senior centers, community centers, residential care homes, and convalescent hospitals year-round. While these courses are offered primarily for senior citizens at locations and times convenient to them, they are open to all persons. The purpose of the program is to enable the older adult to have a better understanding of self-management. In addition, seniors are able to increase their awareness of consumer resources, and to enrich their learning potential by participating in individual development classes. Classes are provided in two general categories:

Art for Seniors - Art classes ranging from fine arts such as painting and history of art to classes in arts, crafts and art appreciation.

Senior Preparedness - Classes are offered in areas such as current events and consumer resources.

For a complete listing of Older Adult Program classes, please check our website at: communityed.missioncollege.edu

About Community Education...
The Community Education Office provides a wide range of learning and enrichment opportunities for the community by offering classes and programs which meet the specific needs of and are tailored for the local community.

• Our classes and programs range from vocational training (e.g. Pharmacy Technician) to specialized classes (e.g. court mandated drug classes), to personal and professional enrichment classes (e.g., Beginner to Advanced Violin, Furniture Design and Construction, ProTools Audio Production Software, Palo Alto Networks Firewall 101 ).
• Classes are available to anyone in the community, regardless of educational goals and achievements, or student status.
• Classes are tailored for students of all ages and are offered year round with flexible, convenient schedules.

We welcome you to explore all that we have to offer and hope to help you reach all your educational and personal enrichment goals.

### IMPORTANT NOTES:

1. All final exams are two hours long.
2. R = Thursday
3. When a course consists of lecture and lab the final exam is scheduled according to the time of the lecture.
4. If your class meets at a time other than those listed, check with your instructor about when the final will be scheduled.
5. If there is an unavoidable conflict in your final exam schedule, see your instructor and request to take the exam with another class.
6. Exams start promptly at the hours indicated and are held in the same room in which the class regularly met during the term.
PRIORITY REGISTRATION

In order to receive an early registration date, students must complete the following requirements by the Priority Registration deadlines:

- Assessment*
- Orientation
- Educational Plan

*Due to state-mandated changes, assessment will not be required for Summer/Fall 2019 priority registration.

PRIORITY REGISTRATION DEADLINES:
