## PETITION TO REGISTER IN CLASSES WITH OVERLAPPING TIMES

<b>Student Information</b>					
	Last Name	First Name	Middle	Student ID #	e-mail/phone

Per Board Policy 4226 and Administrative Procedure 4226, students may not enroll in two or more classes where the meeting times overlap, unless: The student provides a valid justification, **other than scheduling convenience**, of the need for an overlapping schedule that does not exceed 10% of class meeting time. The student makes up the overlapping hours at some other time during the same week under the supervision of the instructor of the course. The Chief Instructional Officer or designee approves and ensures the make-up is arranged.

Approval of this petition will require: (1) a rational justification (not scheduling convenience), and (2) a written plan by the faculty member assigned to the second class indicating the manner by which the student will be required to make up the time of overlap. The missed time must be made up during the same week at some other established time under appropriate supervision.
