Welcome to Starfish

Starfish provides you with a central location to connect to the people and services that can help you finish what you start – all accessible from the side navigation menu of your Starfish Home page.

The navigation menu includes access to a customizable profile and personalized channels that make it easy to schedule the dedicated time you need with your instructors, advisors, or counselors. Starfish can also help you manage the steps you need to take to stay on track and meet your goals.

Setup Your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Open the navigation menu and click your name, and then Edit Profile to open your profile.

From here, you can customize your profile by uploading a photo, and adding a secondary email address for receiving Starfish emails.
2. Select the **Notifications** tab to update your notification preferences.
3. Once you have made your desired changes to your profile, click **Save Changes**.

### Connect to People and Services that Can Help You

The **Messages** channel allows you to see any message that was sent to you in Starfish. The **My Success Network** and **Courses** channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.
Messages
Select **Messages** to display messages sent to you in Starfish. Click on any message in the list to display the full contents of that message.

My Success Network
Select **My Success Network** from the navigation menu to display your personalized network. This channel lists the people and resources that are available to assist you. If a service includes a waiting room for walk-in appointments, you can click the “Waiting Room” link to find out how many students are currently in line.

If you happen to see services for West Valley College (WVC) instead of Mission College (MC) that is because your primary program of study is associated with
West Valley College rather than Mission College. There is nothing wrong with that, but this will impact which services you see.

Courses
Select Courses from the side navigation menu to display information about courses you are enrolled in as well as contacts and available support related to each. Like the My Success Network channel, it is personalized to show the people and services specific to the courses you are taking and gives you can Schedule Appointments or Request Help related to a course.

If tutoring is available in the Academic Support Center for any course you are enrolled in, you will find links to Schedule Tutoring appointments in that subject right here in the area connected to the course.
