2018-2019 Catalog Addendum - May 2019

This addendum contains revisions to the catalog language on page 31 of the 2018-2019 Catalog.

Double Major
An additional Associate Degree may be earned provided that the following provisions are met:
   a. A student must complete all core and elective requirements for the second major. Where the two majors include the same core and elective requirements, the courses may be double-counted for both majors.
   b. Completion of General Education and Competency Requirements
   c. Must complete a min of 12 units in residence at Mission College.

Additional Associate Degree
A student who has already earned an Associate Degree may apply for an additional Associate Degree provided that the following provisions are met:
2. A student must complete all core and elective requirements for the second major (minimum of 18 units, per Title 5 §55063).
3. Completion of General Education requirements. Mission College will accept "as completed" the required units and proficiency of General Education needed for a second Associate in Arts or Associate in Science degree from a California Community College under the following parameters:
   a. the student has completed all of the requirements and has been granted an Associate in Arts or Associate in Science degree from a California Community College accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (WASC). Effective Fall 2009, English Composition and Intermediate Algebra are required for all Associate Degrees
   b. The student presents official transcripts that verify completion of the Associate in Arts or Associate in Science degree.
4. Must complete a min of 12 units in residence at Mission College.
