Economics: Associate in Arts for Transfer(AA-T)

The Associate in Arts in Economics for Transfer (AA-T in Economics) is designed to provide a clear pathway to a CSU institution for students who plan to transfer and complete a CSU major or baccalaureate degree in Economics. California Community College students who are awarded an Associate in Arts in Economics for Transfer (AA-T in Economics) are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU institution or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or institutions.

Program Learning Outcomes:

- Apply general economic theories and models to describe economic phenomena.
- Analyze and make predictions about the impact of government intervention. and changing market conditions on consumer and producer behavior and well-being.
- Generate constructive analysis and creative solutions to real world issues. by drawing upon relevant data and utilizing suitable economic theories.

Career Opportunities:

Career Opportunities include the following: economist, loan officer, systems analyst, project administrator, research assistant, sales engineer, state policy analyst, statistician, systems analyst, personal banker, insurance agent, stock broker, investment advisor, financial analyst, financial advisor, economic affairs officer, and many more.
