

Languages and Liberal Arts

The Language & Liberal arts major and career pathway focuses on creativity, expression, writing and working with ideas. Students in this pathway learn how to communicate, understand cultures, and think critically. Career pathways include media, journalism, writing, editing, public relations, publishing, and teaching in both private and public industries.

Programs of Study

- Communication Studies (AA-T Degree, Certificate)
- English (AA-T Degree)
- Liberal Arts: Communication in English & Critical Thinking (AA Degree)
- Spanish (AA-T Degree)
