2021
FALL SEMESTER
COURSES
AUGUST 28 - DECEMBER 18

The majority of classes for Fall will be online, but classes and labs that need face-to-face instruction will occur in smaller groups based on current state safety guidelines at the time. This is a changing situation and we will inform students regularly of changes.

SATURDAY CLASSES START AUGUST 28

Before you enroll in degree applicable courses, it is recommended that you are eligible to enroll in ENG 001A and REA 054.

Prerequisite’s and co-requisites are mandatory. If you are blocked from enrolling in a class because you have not met the requisite, see your counselor. Courses used to meet prerequisite and co-requisite requirements must have been completed with a grade of C, credit, or better. Advisories are recommendations only.

GO TO CATALOG.MISSIONCOLLEGE.EDU FOR YOUR REFERENCE GUIDE FOR DETAILED, DEGREE, COURSE AND COLLEGE INFORMATION

All course descriptions can be found at CATALOG.MISSIONCOLLEGE.EDU or SCHEDULE.MISSIONCOLLEGE.EDU
Throughout the pandemic Mission College has safely continued in-person instruction for classes training current and future essential workers in the areas of Nursing, Fire Tech and EMT Training, and Pharmacy Tech. We have also provided in-person training courses for our intercollegiate athletes. As we move forward toward a full return to on campus operations, we have expanded our offering of classes with in-person instruction options for the Fall 2021 semester. Some of the classes identified below will be fully in-person, while others will be hybrid partially in-person and partially online, and a few offer students the option to attend in-person or via online videoconference in what we are calling “flexible attendance options.” Classes listed here have full or partial In-Person instruction. Please find additional information on these classes by using our online class search.

This list is subject to change.
