

2021 **Winter and Spring** CLASS SCHEDULE

Winter starts January 4 | **Spring** starts January 30

WELCOME TO MISSION COLLEGE

From President Daniel Peck

One thing is for sure, 2020 is unpredictable. One thing that has not changed is our mission to educate anyone that comes to us.

We value our diversity. We have students from 33 countries. We have students from all walks of life. Education is about learning from others, and we do that every day at Mission College.

We also realize the challenges-- of paying rent, holding down a job, taking care of family, finding a quiet place to study or relax, or navigating college for the first time, or the fourth time.

We have made it a priority to address some of those needs.

- We have partnered with 2nd Harvest Foodbank for a weekly drive-thru food pantry.
- We have set up a laptop and hotspot loan program.
- We have created an emergency assistance fund.
- We have given out meal cards and lunches.
- We have opened up our computer lab, which has access to a computer, wifi and is quiet.

Mission College has already distributed more than \$1.7 million in direct dollars to students since March. This is in addition to providing over 300 laptops and WIFI hot spots through our loan program, and distributing more than 5,000 meals through gift cards and bagged lunches.

As allowed by the State and County, our classes will be mostly online with some exceptions. Please look at our schedule online for the latest updates.

As we gradually re-open, we welcome you back. With safety protocols in place and our students and community at the forefront of our effort

Let's have a great 2021!

MISSION STATEMENT

Mission College serves the diverse educational needs of our student population by providing equitable access and support towards completing associate degrees and certificates aligned with transfer and career pathways to meet educational and personal goals as well as the workforce demands of the city of Santa Clara and Silicon Valley.

Vision Statement

Empowering every student to find their mission.

SUPPORT SERVICES

CALWORKS

calworks.missioncollege.edu | SEC-144 | 408-855-5228

CalWORKs serves low-income parents and students with at least one child under the age of 18. Santa Clara County provides cash aid to be used for housing, food, and utilities. Mission's CalWORKs program provides academic counseling, book vouchers, CalWORKs on-campus work-study, priority registration, on-campus and community resource referrals and assistance with county caseworkers.

EOPS

eops.missioncollege.edu | SEC-148 | 408-855-5055

Extended Opportunity Programs & Services (EOPS) provides support services to low-income and educationally disadvantaged students facing various barriers to academic success. Services include personalized academic and career counseling, book vouchers, transportation assistance, meal cards, school supplies, priority registration, and grants for qualifying students.

CARE

care.missioncollege.edu | SEC-148 | 408-855-5055

The Cooperative Agencies Resources for Education (CARE) Program, a component of EOPS, is designed to focus on the unique needs of single-parent students who receive CalWORKs Cash Assistance/TANF funds. Program services include an additional grant, book services, workshops, and more. To maximize the resources available, students may participate in both CARE and CalWORKs at the same time.

TRIO & TRIO STEM

trio.missioncollege.edu | SEC-146 | 408-855-5192

TRIO assists underrepresented students in higher education. The program's focus is to create a personalized experience for each student. We do this by providing a dedicated program counselor, academic advising, career counseling, graduation and transfer information, computer lab use, free copying and printing, university and company tours, tutoring, priority registration, among other services.

AANAPISI PROGRAM

aanapisi.missioncollege.edu | SEC-350 | 408-855-5261

AANAPISI Programs improves the transition, progression, graduation, and transfer rates of Asian American and Pacific Islander (AAPI) and low-income students at Mission College.

PLACEMENT & ASSESSMENT SERVICES

assessment.missioncollege.edu | SEC-109

Students at Mission College must complete the Placement Assistance Tool found at assessment.missioncollege.edu prior to enrolling in English and/or math courses. Placement and Assessment Services can assist with the tool if needed. Placement and Assessment Services can also help students clear course prerequisites via assessment of prior learning.

HSI STEMLINK PROJECT

hsi.missioncollege.edu | SEC-350 | 408-855-5261

The primary goal of the Hispanic Serving Institution (HSI) STEMLink Project is to strengthen the pipeline of Latinx and low-income students from area high schools, through enrollment services, peer mentoring, counseling, career readiness workshops and bilingual (Spanish-English) financial aid advising. STEM majors are encouraged to transfer to four-year universities, plus the grant funds faculty-mentored, summer research projects and participation in annual STEM undergraduate conferences.

- **Follow-up services** are developed to make sure you stay on track and together we continue to evaluate your process.

MEHRZAD KARIMABADI

Mission College to San Jose State

Mission offered a combination of best counseling, great instruction, and availability of courses in addition to opportunities for student advancement through student organizations. Thanks to this holistic educational approach at Mission, my sisters and I were all officers of a student organization, scholarship winners and honor students. In addition, I was a winner of an statewide award in graphic design, earned a number of scholarships, and had the honor to be selected for the juried design exhibit twice.

FOR YOUR SUCCESS

USE THESE PROGRAMS TO HELP YOU NAVIGATE AND SUCCEED AT MISSION COLLEGE

ACADEMIC SUPPORT CENTER (ASC)/ TUTORING CENTER

tutoring.missioncollege.edu | SEC-154 | 408-855-5095

The Academic Support Center provides academic assistance for all Mission College students. The tutoring service is free and available for a wide range of courses in basic skills, transfer, STEM, and courses that lead to degrees or certificates. Students can choose drop-in tutoring or scheduling a future appointment. Peer tutors also help with study strategies and test preparation. We strive to offer quality services in a variety of formats to respond to individual student needs.

CAREER CENTER

jobs.missioncollege.edu | SEC-122

The Career Center is your resource for resumes templates, workshops, finding jobs, job fairs, and gaining internships and/or apprenticeships. Employers post opportunities at jobs.missioncollege.edu.

COUNSELING CENTER

counseling.missioncollege.edu | SEC-139 | 408 855-5030

Our counselors are available to support Mission's diverse student population with the many academic and personal needs that may arise during the college experience. A counselor can help you with; academic and transfer counseling, career counseling, goals clarification, personal counseling, community referrals, crisis intervention and more.

Mission College is a multicultural campus our staff is available to assist students in a variety of languages. Our mission here at Mission is to help you achieve your academic and career goals!

MESA (MATHEMATICS ENGINEERING SCIENCE ACHIEVEMENT)

mesa.missioncollege.edu | SEC-152 | 408-855-5482

Born out of the civil rights movement, the Mathematics, Engineering, Science Achievement (MESA) Program supports educationally and economically disadvantaged students in the STEM Transfer pathway. Some of MESA's services include a dedicated counselor, tutoring, organized study groups, college and industry tours, mentorship programs, leadership conferences, retention and transfer support. MESA produces a diverse population of transfer-ready students to 4-year university programs and beyond.

PUEENTE PROJECT

puente.missioncollege.edu | CC-221 | 408-855-5385

The Puente Project is a national award-winning program that has improved the college-going rate of tens of thousands of California's educationally underrepresented students. Puente students take English 1AX and Counseling 5 in the fall semester. They then take English 1B and Counseling 7 in the spring semester. During both semesters, Puente students take part in required events, such as trips to university campuses, and receive mentoring from local professionals. Puente students work closely with their Puente counselor to transfer to a four-year school. This is a fall start program and students must enroll before the fall semester begins.

STEM LEARNING CENTER

stem.missioncollege.edu | SCI-131 | 408-855-5157

The STEM Learning Center provides a study space, tutoring in STEM disciplines, the peer navigator mentorship program, university tours, industry tours, and community building. The center also participates in the hunger free campus initiative where students can pick up snacks and drinks throughout the day.

TRANSFER CENTER

transfer.missioncollege.edu | SEC-139 | 408 855-5115

The goal of the Transfer Center is to identify, recruit and motivate students to make well-informed decisions to transfer to four-year universities. The Transfer Center will help students navigate through the transfer process by assisting with choosing a transfer campus, understanding the admissions process, and assisting with filling out college applications. Additionally, the center provides resources for students to explore and establish major, transfer, and career goals.

VETERANS-VALOR CENTER

valor.missioncollege.edu | CC-240 | (408) 855-5418

The VALOR Center provides current and prospective Student-Veterans with their own one-stop space to access information, mentoring, study space, computer lab, tutoring, disability counseling, education planning, certification information, free printing, outside resource information, and to get to know other veterans. The VALOR Center also coordinates calendar dates and has access to an on-campus Medical Lab. The VALOR Center is open to all Student-Veterans regardless of benefits and Student-Veterans receiving benefits can also apply for V.A.

KHADIJA ABDULMALIK

Mission College to San Jose State

I've attended other campuses and felt that I had the best experience here at Mission College. After I obtained my associates degree from Mission I was able to transfer to San Jose State University. There, I was able to get my bachelors degree as well as my masters degree. I would have to say that community colleges tend to be smaller than four-year universities and they offer more interaction with faculty. The smaller environment also provided a more home like feeling. I feel like when I attended Mission College I was able to get an ample amount of support from staff and faculty and was able to make life-long connections.

EDGAR BACULI

Mission College '16 • Biological Sciences
UC Davis • Biochemistry and Molecular Biology

Mission College prepared me very well for transfer. As I continue on in Week 2 of this quarter, I still remember being exposed to the material being taught by my professors in Mission College. Since class sizes are humongous compared to those in community college, finding friends and a study group can be a bit more intimidating. However, if you take the first step by introducing yourself to the students next to you and making a connection, many people in UC Davis are happy to make more friends! In Mission College, I was able to see the importance of office hours and will now, without any hesitation, attend those office hours as often as I need them. If I could do it all over again at Mission, I would attend office hours much more frequently to develop stronger relationships with my professors!

TAKING AN ONLINE CLASS? WE CAN HELP!

[ONLINE.MISSIONCOLLEGE.EDU](https://online.missioncollege.edu)

Laptop & Wifi Loan Program

Mission College recognizes the sudden transition to online courses has posed many challenges for our students, particularly for those without reliable computer access. In an effort to best support our students, Mission College is loaning a limited number of laptops and hotspots for our students with the greatest need, to use for the rest of their time at the college. Go to resources.missioncollege.edu to apply

Using Canvas

Canvas allows faculty to develop and manage online and face-to-face courses, and provides students with secure access to course content anywhere, and anytime, they have access to the Internet.

Canvas allows students:

- to work and collaborate
- view lessons
- submit assignments
- take exams
- communicate with instructors and other students
- track their grades and course activity
- configure, customize and display course reports in a safe password-protected virtual environment.

Why Take an Online Class?

Online Learning courses are delivered online and offer the flexibility of learning anywhere, and anytime.

- Earn credits during Winter and Summer session to transfer back to your own four-year school
- Take classes throughout the year on your schedule
- Get through college faster
- Complete lower division GE classes
- Online tutoring with our own Mission College tutors and Net Tutor
- Financial Aid may be available

ADMISSIONS AND REGISTRATION INFORMATION

**FOR MORE DETAILED INFORMATION PLEASE VISIT:
CATALOG.MISSIONCOLLEGE.EDU**

ENROLLING INTO CLASSES

Students can register for classes online via My Mission Portal starting on their assigned registration dates and until the day before the first meeting day of the classes. They can also register in-person at Admissions & Records located in SEC 118 should conditions allow.

All classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission College. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and co-requisites, or due to other practical considerations, such as exemptions set out in statute or regulation.

**Payment is due when you enroll in your classes.
The drop for non-payment policy is in effect.**

REGISTRATION FEES

Payment of fees is due at time of registration.

Be prepared to pay any outstanding balance on your account at the time of registration. Outstanding account balances will block you from being able to register in the future. Payments can be made online via My Mission Portal, or in-person at SEC 118 should conditions allow.

Mission College encourages all students to apply for financial aid for assistance with paying enrollment fees. To apply visit the Mission College financial aid page at financialaid.missioncollege.edu or come to the Financial Aid office for help at SEC 118 should conditions allow.

PAYMENT PLAN OPTIONS THROUGH NELNET

Mission College is committed to providing you with options to pay your enrollment fees. By establishing a payment plan with Nelnet you will have the opportunity to select a payment plan to make your college enrollment expenses more convenient and manageable. For additional information go to: MyCollegePaymentPlan.com/wmc or call Nelnet at (800) 609-8056.

WVM ISSUED EMAIL

All students registered in the District will be assigned a WVM district email, yourname@mywvm.wmv.edu. The email address can be used as an email address, to access Canvas and as a single sign-on for services. Students can go to mportal.missioncollege.edu for details.

DUAL ENROLLMENT-HIGH SCHOOL STUDENTS REGISTRATION

High school students seeking to take classes at Mission College are required to submit an online Application for Admission as well as a High School Dual Enrollment Form for each term they wish to enroll. The Dual Enrollment Form **MUST** be submitted via email to: dual.enrollment@missioncollege.edu or in-person at the office of Admissions & Records before students will be assigned an online registration date. Students are highly encouraged to submit forms at least two weeks before registration opens for high school students to allow for processing.

Registration in any college course must be approved by the student's high school principal or designee, and parent/guardian. Students are required to meet all prerequisites for the course(s) into which they want to enroll. To obtain the High School Dual Enrollment Form and additional information pertaining to Dual Enrollment, please visit hs.missioncollege.edu.

Dually enrolled high school students are responsible for paying the Health Center Fee.

Dually enrolled high school students are not allowed to register into Kinesiology and 900 level courses.

DROPPING/WITHDRAWING FROM CLASSES

It is the student's responsibility to drop/withdraw from classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If you do not drop classes that you no longer want to be enrolled in by the published deadlines, you, the student, will be responsible for payment of all enrollment fees related to the class (even if the you never attended), and for any grade assigned by the instructor. Classes may be dropped via My Mission Portal.

CLASS WAIT LIST

A class wait list is started when a class reaches its maximum enrollment capacity during the registration period. Students can add their names to a wait listed class before the class begins. During the registration period, if a student drops from a class that has a wait list, the first student on the wait list will be notified via email to their personal and WVM email addresses, and via text (standard text fees apply) that a space in the class is available. The notified student will have up to 48 hours to register into the class. Should the notified student not enroll in the course by the end of the 48 hours the student will be removed from the wait list and the next student on the wait list will be notified that a space in the class is available. The notification system will continue to notify students on the wait list until the next notified student enrolls in the class or the class starts, whichever comes first.

ADDING A CLASS WITH ADD CODES

On and after the first day of instruction and through the Add/Drop period of the course, students that want to add into a class must contact the instructor and ask for an "Add Code." Students will use add codes to enroll themselves into a course via My Mission Portal. Students must use assigned add codes before the Add/Drop period deadline (see Calendar for dates). A different add code is required for each class to be added on or after the first meeting of the class. Successfully adding a course online with an add code is a two-step process 1-validation, 2-submitting changes. Students may not be able to add a course on or after census date without special permission. Adding classes after the refund deadline will require that new fees be paid.

COURSE REPETITION AND FAMILIES OF COURSES

State regulations severely limit the ability of courses to be repeated after receiving a passing grade. There are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called "families" and courses in these defined families are linked, independent of which college where they are taken. Families are identified within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines, and students may only attempt up to four courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms - this is a cumulative count of attempts. If a family has less than four courses in its offerings and you have a received grade notation for each of its courses, the maximum attempts have been reached.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of beyond four attempts within an individual family.

Refer to the table in the online schedule, college catalog or consult with a Counselor to review the full list of courses within families.

REFUNDS

To be eligible for a refund of enrollment fees students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Refund requests for ASB cards and Parking Permits must be made at the Admissions & Records by the "last day to drop with a refund" deadline. A parking permit refund requires the return of the parking permit.

Refunds for credit card payments will be returned to the credit card used to pay the fees. Check and cash payments will be refunded by check and mailed to the student's current home address on record. It is important that we have a current address on file. Refunds for eligible students are processed after census for full term courses, unless otherwise requested by the student. Refunds for complete withdrawals from short term courses are processed within 7 to 10 business days.

PREREQUISITES

Some courses have prerequisites. A prerequisite is a class or skill that is required before enrollment into a preferred class is allowed. Prerequisite information for individual classes can be found in the college catalog course listings. For information on how you may be able to clear prerequisites through alternate means visit

AUDITING OF COURSES

Mission College allows auditing of courses except for courses in programs that require special preparation and/or program admission on a limited basis. The California College Promise Grant will not cover the fee for an audit class.

Submit the required supporting documents to the Financial Aid Office. Make sure all documents are signed. The reviewing process can take 2 to 4 weeks. Check your My Mission Portal and WVM email address for updates.

4

Set up your BankMobile Refund Selection:

Log into My Mission Portal, click on "Financial Aid Refund Selection" and follow the prompts.

TYPES OF FINANCIAL AID

Grants: Financial aid based on financial need. It does not have to be repaid (unless you withdraw from school and owe a refund).

Scholarships: Scholarships: Money awarded to students based on academic, financial need or other achievements to help pay for educational expenses. Scholarships generally do not have to be repaid.

CC Promise Grant: CC Promise Grant: A form of CA State aid that waives the enrollment fee (\$46/unit) for eligible CA resident students.

Work Study: A federal student aid program that provides part-time employment while enrolled in school to help pay for educational expenses. A completed FAFSA is required to be considered for an award.

Federal Student Loans: Money borrowed from the federal government to help pay for educational expenses. A federal student loan is borrowed money you must repay with interest.

NELNET PAYMENT PLAN

You can make college more affordable by paying for enrollment fees over time. Payment plans break down your student account balance into affordable monthly payments. You pay no interest, payment options are flexible, setup fees are affordable, and it's easy to enroll!

Mycollegepaymentplan.com/wvmc

CALIFORNIA COLLEGE PROMISE GRANT (CCPG)

California College Promise Grant (CCPG) covers the enrollment fees and a portion of the parking fee for lower income eligible students. AB540 Students (undocumented residents) now qualify for the CCPG. Applications are available on our website or at the Financial Aid Office located in SEC 118.

CCPG A: To be eligible, you (or one of your parents, if you are dependent) must be a current recipient of public assistance such as AFDC/TANF/CalWORKs, SSI, GA, or others.

Financial Aid Availability:

Generally, financial aid eligibility is established once a student has shown through an application that the following criteria are satisfied:

- Be a U.S. citizen or eligible non-citizen or meet AB540 criteria.
- Be enrolled or intend to enroll as a regular student in an eligible program of study for the purpose of obtaining a degree or certificate.
- Show financial need.
- Not be in default on an educational loan nor owe a refund to any financial aid office.
- Be registered, or formerly registered, with the Selective Service (for male students only, between the 18-26 year of age).
- Have the ability to benefit from the education offered. This can be met by holding a high school diploma, GED, passing the CHSPE (CA HS Proficiency Exam) or be home-schooled certified.
- Be making satisfactory progress.

Student Employment:

Part-time student employment opportunities are available at Mission College. For all employment opportunities visit jobs.missioncollege.edu or Andrew Soliz, Program Specialist, Career Center in SEC-122.

FREE VTA TRANSIT

YOU ALREADY PAID

The SmartPass is already included in your Mission Fees!

ECO FRIENDLY

Every bus trip has the potential to keep 50 cars off the road.

UNLIMITED VTA RIDES

Enjoy unlimited bus and light rail trips with your smartpass throughout the semester

STRESS FREE

Enjoy music or read a book. Light rail provides free Wifi access.

Visit smartpass.missioncollege.edu for updated information

Mission College has partnered with Santa Clara VTA to offer its students a SmartPass which grants unlimited rides on VTA light rail and buses throughout the Santa Clara County provided their student fees are paid.

- Due to Campus Center being closed we are working on a new online ID card system to serve our students.
- Visit smartpass.missioncollege.edu for the latest information.

The SmartPass will automatically renew each semester once all fees are paid in full. Students keep the same card from semester to semester and do not need to get it replaced. You paid the fee, now ride for free!

PARKING INFORMATION

PARKING REGULATIONS - OVERVIEW

A valid student, staff, or one-day "daily" visitor parking permit is required to park on campus. Student and visitor parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT

A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a semester-length permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. If you are a Financial Aid student receiving a California Promise Grant (Formerly Board of Governors Waiver), you can purchase your permit online but you must do so via the link in the student portal located on the college website, and you must enter your student ID number when prompted.

Semester-length parking permit refund requests must be made in accordance with the refund schedule identified by Admissions. For permits purchased in-person at the Admissions Office, please take your permit to the Admissions Office to request a refund. For permits purchased online and mailed to your home, please take your permit to the District Police office.

One-day "Daily" parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are \$3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

SUMMER SESSIONS PARKING INFORMATION

There is no student parking grace-period offered during any of the summer sessions. All vehicles parked on campus during the summer sessions must have a valid parking permit properly displayed at all times.

WINTER SESSION PARKING INFORMATION

There is no grace-period during the Winter Session. All vehicles parked on campus during the Winter Session must have a valid parking permit properly displayed at all times. During the Winter Session (Monday, January 4 through Thursday, January 28, 2021) all of the following parking permits will be valid for use:

- Fall 2020 Semester Permit
- Spring 2021 Semester Permit
- Daily Permit

Students who have already purchased a Fall 2020 or Spring 2021 semester length permit may use either of these permits to legally park on campus during the Winter Session.

SPRING SEMESTER PARKING INFORMATION

A student "grace-period" will be observed during the week immediately prior to the start of the spring semester and during the first week of the spring semester. (The "grace-period" begins on Monday, January 25, 2021 and ends on Sunday, February 7, 2021.) During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations may be issued to vehicles failing to display a valid student parking permit beginning Monday, February 8, 2021.

GENERAL PARKING INFORMATION

VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A, or in our new visitor lot, located next to the Student Engagement building at front entry circle. Visitors planning a longer visit to campus should purchase a one-day "daily" parking permit at any of the daily permit dispensers located in parking lots B, C and D.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING -- Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

ELECTRIC VEHICLE CHARGING - Electric vehicle charging stations, also known as "E.V." stalls, are located in the front row of Parking Lot D. Students, staff, and visitors are welcome to use the charging stations; however, a valid student, staff, or one-day visitor permit must be displayed on the vehicle while it is parked in an "E.V." charging stall. In addition to the permit requirement, all vehicles parked in an E.V. stall must also be actively charging and must not exceed the posted time limit.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the Campus Center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

DISCLAIMER - This is only a summary of the District's parking procedures and regulations. All procedures and regulations are subject to change. For the most current and complete procedures and regulations, please visit us online at <https://wvm.edu/parking>.

QUESTIONS? CONTACT US - Parking Services can be reached by calling 408.855.5435, or via e-mail at parking.services@wvm.edu, or at by visiting us at the District Police Office located in the Campus Center.

About Community Education

The Community Education Office provides a wide range of learning and enrichment opportunities for the community by offering classes and programs which meet the specific needs of and are tailored for the local community.

- Our classes and programs range from vocational training (e.g. Pharmacy Technician) to specialized classes (e.g. court mandated drug classes), to personal and professional enrichment classes (e.g., Beginner to Advanced Violin, Furniture Design and Construction & Metalsmithing).
- Classes are available to anyone in the community, regardless of educational goals and achievements, or student status.
- Classes are tailored for students of all ages and are offered year-round with flexible, convenient schedules.

We welcome you to explore all that we have to offer and hope to help you reach all your educational and personal enrichment goals.

COURT MANDATE CLASSES

Drug Diversion, Anger Management and Impulse Control: For over 15 years, Community Education has worked with the Santa Clara County Courts and Probation Departments to provide quality classes on topics such as Minors in Possession, Marijuana and Other Controlled Substances, Anger Management and Petty Theft Diversion. All classes are held on the Mission College campus and are conducted by Licensed Psychotherapists and Marriage and Family Therapists with private practices in couples and drug counseling, working with minors and adults. For more information call 408.855.5106 or visit our website at communityed.missioncollege.edu for our court-mandated class schedule.

MOTORCYCLE SAFETY TRAINING

Community Education at Mission College with Two Wheel Safety Training (TWST) offers the basic riders course at Mission College! TWST is a motorcycle riding school, contracted by the California Motorcyclist Safety Program (CMSP) and the Total Control Training, Inc. to provide Motorcyclist Training Course (MTC) for beginners and Intermediate Riding Clinics (IRC) for the more experienced rider.

For more information please see the TWST website (2wheelsafety.com) or call 510-784-8978.

ONLINE ONLY CLASSES WITH OUR PARTNER ED2GO
