IT'S YOUR TIME TO Shine!

CLASS SCHEDULE

Winter & Spring 2023

WINTER STARTS JAN. 3
SPRING STARTS JAN. 28
To You, Our Students,

My name is Dr. Seher Awan, the very proud president of Mission College. I want to be the first to welcome you to our 2023 Winter and Spring terms. It gives me great joy to see that you are putting yourself first and investing in yourself at Mission College. I look forward to you embracing this opportunity that will get you closer to your personal and professional goals.

Please know that our diverse and caring faculty, classified professionals, and administrators are here to support you throughout this term. We are ready to get you the answers you need so you have success in the classroom and beyond. I encourage you to ask questions, engage, and take advantage of our resources available for you.

Take this semester to focus on yourself. What do you need to do to find the career that you are most passionate about? What do you need to successfully complete your classes? What do you need to ensure you have the mental health and wellness to thrive in these Winter and Spring terms and start 2023 on the right path? No matter the questions that you may have, we are here for YOU! Our dedicated team is ready to support you throughout this journey with free laptops, free Wi-Fi, housing support, or by just providing guidance and encouragement. Our Mission College community is committed to one another, but especially to you, our students, who we appreciate so much.

You have picked a great time to join the Mission College Saints! Not just because of our passionate employees, new classroom technologies and programs that can help you get hired in in-demand field, or our ever-evolving campus that will include a New Business and Technology Building opening in 2023, but because you invested in yourself. Because of that, we congratulate you and can’t wait to get started. I encourage you to lean in during your time on-campus and join clubs, committees, and the Associated Student Government to ensure your voice is heard and to make Mission better for your fellow students.

We are here to provide you with the tools to better your community and for you to make an impact on this world. I am confident that our experience together will be worthwhile and rewarding for all of us. Please don’t hesitate to stop by my office to say hi and drop in during my open office hours on Thursdays from 11:00a.m.-12:00p.m. I look forward to seeing you on-campus and online. Go Saints!

MECHATRONICS PROGRAM

Mechatronics is a branch of engineering that brings together mechanical, electrical, computer, and robotics engineering.

Work at the Forefront of Technology

Mechatronics combines principles of mechanics, engineering, and computing to create and improve new technology that contains artificial intelligence.

Mechatronics are used in self-driving cars, biotechnology, robots, robotic-assisted surgical systems, NASA's Curiosity Rover, system integrators, and even the Roomba.

GETTING STARTED AT MISSION

We look forward to having you join us at Mission College! If you ever need help or get stuck, go to welcome.missioncollege.edu and live chat with our Welcome Center. A student ID will need to be re-activated through CCC Apply if you miss a semester and want to register for classes. If you lose your student ID number go here: web.wvm.edu/whatsmyid/gnumber

START HERE: APPLY.MISSIONCOLLEGE.EDU

APPLY FOR ADMISSION

- Apply via CCC Apply. A student will receive a Student ID Number (G01234567) within 24 hours. The CCCID number is not your Mission College ID number.
- F-1 international students cannot apply using CCC Apply. They must submit their information via the International Student Application at iis.missioncollege.edu.
- High School students will need to have a counselor or principal sign off on their courses. See hs.missioncollege.edu for details.
- Explore college resources on MyPath.

DECLARE YOUR VACCINATION STATUS

- Students taking in-person classes must declare their vaccination status or provide a medical or religious exemption. The declaration is optional for online classes. The information will be verified by our vendor, Pyramed through a state database and followed up by Health Services with any discrepancies.

DECLARE status at: My Mission Portal

APPLY FOR FINANCIAL AID

- Apply for Financial Aid by submitting the Free Application for Federal Student Aid (FAFSA) and/or the CA Dream Act Application. FAFSA can take between 2-3 weeks to process. You will need the school code (0144558).

Visit financialaid.missioncollege.edu for information.

DETERMINE YOUR PLACEMENT

- Complete the Placement Process for math and English from within your My Mission Portal
- Clear Prerequisites from prior experience or college classes, if applicable, via the assessment website.
- Those taking ESL for credit classes need to complete a separate ESL assessment

For Help: Assessment.missioncollege.edu

COMPLETE THE REQUIRED ORIENTATION

- Go to My Mission Portal to complete the self-paced, online orientation.

View orientation tutorial video on getting started at welcome.missioncollege.edu

MEET WITH A COUNSELOR TO SELECT CLASSES

- Go to My Mission Portal to complete the self-paced, online orientation.

View orientation tutorial video on getting started at counseling.missioncollege.edu

REGISTER AND PAY FOR CLASSES

- Students register for classes via My Mission Portal with a current Student ID Number (G01234567)
- Fees are due at the time of enrollment and must be paid the start of the term.
- Students can also do this with the “Go Mission” app. Details on downloading at go.missioncollege.edu

View more information at: missioncollege.edu/admissions/become-a-student/index.html

WVM EMAIL / SINGLE SIGN-ON

- Students will need a WVM email address to access services via Single Sign-On and will receive a WVM email address once they register for classes.
- Please note it can take up to 72 hours after you receive a student ID number (G01234567) for everything to become active.
CÓMO EMPEZAR EN MISSION
¡Esperamos que se una a nosotros en Mission College! Si alguna vez necesita ayuda o se siente perdido, vaya a welcome.missioncollege.edu y chatee en vivo con nuestro Centro de bienvenida (Welcome Center). Se deberá reactivar el ID de estudiante a través de CCC Apply si deja de asistir por un semestre y desea inscribirse en clases nuevamente. Si pierde su número de ID de estudiante, vaya aquí: web.wvm.edu/whatsmyid/gnumber

EMPIEZA AQUÍ: APPLY.MISSIONCOLLEGE.EDU

1. SOLICITAR ADMISIÓN
   - La aplicación se completa a través de CCC Apply. Luego, el estudiante recibirá un número de ID de estudiante (G01234567) dentro de las 24 horas. El número CCCID no es su número de identificación de Mission College.
   - Los estudiantes internacionales F-1 no pueden aplicar usando CCC Apply. Deben enviar su información a través de la Solicitud de estudiante internacional en is.missioncollege.edu.
   - Los estudiantes de secundaria necesitarán que un consejero o director apruebe sus cursos. Visite hs.missioncollege.edu para más detalles.
   - Explore recursos universitarios en MyPath.

2. DECLEAR SU ESTADO DE VACUNACIÓN
   - Los estudiantes que toman clases presenciales deben declarar su estado de vacunación o proporcionar una exención médica o religiosa. La declaración es opcional para las clases en línea. La información será verificada por nuestro proveedor, Pyramed a través de una base de datos estatal y los Servicios de Salud harán un seguimiento de cualquier discrepancia. Declarar estado en: My Mission Portal

3. SOLICITE AYUDA FINANCIERA
   - Solicite Ayuda Financiera presentando la Solicitud Gratuita de Ayuda Federal para Estudiantes (FAFSA) y/o la Solicitud de CA Dream Act. FAFSA puede tardar entre 2 y 3 semanas en procesarse. Necesitará el código de la escuela (0144558). Visite financialaid.missioncollege.edu para obtener más información.

4. DETERMINE SU NIVEL
   - Complete el proceso de nivel para matemáticas e inglés desde su portal My Mission (My Math/English placements)
   - Entregue los documentos de requisitos previos como experiencia previa o clases universitarias, si corresponde, a través del sitio web de evaluación.
   - Si quiere tomar ESL clases de crédito deberá completar una evaluación de ESL por separado. Para obtener ayuda: Assessment.missioncollege.edu

5. COMPLETA LA ORIENTACIÓN REQUERIDA
   - Vaya a My Mission Portal para completar la orientación en línea a su propio ritmo.
   - Veá el video tutorial de orientación sobre cómo comenzar en welcome.missioncollege.edu

6. REUNIRSE CON UN CONSEJERO PARA SELECCIONAR CLASES
   - Pregúntele a un consejero ayuda para seleccionar sus clases o crear el plan de estudios.
   - Veá el video tutorial de orientación sobre cómo comenzar en counseling.missioncollege.edu

7. REGISTRARSE Y PAGAR LAS CLASES
   - Los estudiantes se registran para las clases a través de My Mission Portal con su número de ID de estudiante valido (G01234567)
   - Las tarifas deberán pagarse en el momento de la inscripción y deben estar pagas para el comienzo del semestre.
   - Los estudiantes también pueden hacer esto con la aplicación “Go Mission”. Detalles sobre la descarga en go.missioncollege.edu

8. CORREO ELECTRÓNICO WVM / INICIO DE SESIÓN ÚNICO
   - Los estudiantes necesitarán una dirección de correo electrónico de WVM para acceder a los servicios a través del inicio de sesión único (Single Sign-On) y recibirán una dirección de correo electrónico de WVM una vez que se registren para las clases.
   - Tenga en cuenta que pueden pasar hasta 72 horas después de recibir un número de ID de estudiante (G01234567) para que todo se active.

OSIRIZ DURANA - CLASS OF 2022
Mechanical Engineering Transfer to UCLA

Mechanical Engineering student Osiriz Durana, a transfer student to UCLA, was awarded a $5000 scholarship from Silicon Valley Power for students in pursuit of a career in the energy industry.

Osiriz’ interest lies in sustainable energy and told us, “While mechanical engineering gives me the flexibility to hone in what I’d want to focus on more when I take my upper division classes, the biggest takeaway I would want to get from graduating is to have an engineer’s mindset. Having been influenced by my dad’s craftiness and a knack for solving practical problems, I began to appreciate more the iterative, trial-and-error and logical way that an engineer thinks and I believe that it is the number one skill I would want to develop and foster in my everyday and professional life.”

“There’s a popular saying in STEM that we ‘stand on the shoulders of giants’ and I’ve grown to resonate with the intellectual collaboration aspect that the saying echoes. In my case, my engineering and physics professors from Mission were those giants. Without them, I don’t think I would have ever been as interested as I am now with all things STEM as I was compared to myself back in high school.”

PUENTE PROJECT
puente.missioncollege.edu | CC-221 | 408-855-5362
The Puente Project is a national award-winning program that has improved the college-going rate of tens of thousands of California’s educationally underrepresented students. Puente students take English 1AX and Counseling 5 in the fall semester. They then take English 1B and Counseling 7 in the spring semester. During both semesters, Puente students take part in required events, such as trips to university campuses, and receive mentoring from local professionals. Puente students work closely with their Puente counselor to transfer to a four-year school. This is a fall start program and students must enroll before the fall semester begins.

STEM LEARNING CENTER
Stem.missioncollege.edu | SCI-131 | 408-855-5157
The STEM Learning Center provides a study space, tutoring in STEM disciplines, the peer navigator mentorship program, university tours, industry tours, and community building. The center also participates in the hunger free campus initiative where students can pick up snacks and drinks throughout the day.

TRANSFER CENTER
transfer.missioncollege.edu | SEC-139 | 408 855-5115
The Transfer Center creates equal opportunity for all students to succeed in reaching their educational goals by identifying, recruiting, and motivating students to make well-informed decisions to transfer to four-year universities. The Transfer Center will help students navigate through the transfer process by assisting with choosing a transfer campus, understanding the admissions process, and assisting with filling out college applications. Additionally, the center provides resources for students to explore and establish major, transfer, and career goals.

HSI STEMLINK PROJECT
hsi.missioncollege.edu | 408-855-5261
The primary goal of the Hispanic Serving Institution (HSI) STEMLink Project is to strengthen the pipeline of Latinx and low-income students from local high schools through enrollment services, peer mentoring, counseling, career readiness workshops and bilingual (Spanish-English) financial aid advising. The STEMLink Project supports STEM students in their transfer to four-year universities and funds faculty-mentored student summer STEM research projects. Additionally, the STEMLink Project funds student, staff, and faculty attendance of annual STEM undergraduate conferences.

UMOJA COMMUNITY
umoja.missioncollege.edu | umoja.community@missioncollege.edu
Umoja is a Kiswahili word meaning unity. The Mission College Umoja Community (MCUC) will empower and motivate African American students and other students from disproportionately impacted populations to excel in academics through community engagement, cultural empowerment, culturally responsive pedagogy, and self-love. Students of all backgrounds are welcome to join. 1. Submit the 2023-2024 FAFSA/Dream Act Application:
Complete and submit the 2023-2024 FAFSA at fafsa.ed.gov or the Dream Act on Caldreamact.org. You will need to create an ID (username and password) first to login. The Financial Aid office will email you within 3-4 business days once your application is received.

2. Check your Portal and follow up with Financial Aid office:
Use your WVM Email Address to log into My Mission Portal and check the status of your Financial Aid file. Click on Financial Aid tab > Financial Aid Status>23-24 Award Year>Student Requirements.
Dreamers should follow up directly with the Financial Aid office for review of aid eligibility.

3. Complete your Financial Aid File:
Submit the required supporting documents to the Financial Aid Office. Make sure all documents are signed. The reviewing process can take 2 to 4 weeks. Check your My Mission Portal and WVM email address for updates.

4. Set up your BankMobile Refund Selection:
Log into My Mission Portal, click on “Financial Aid Refund Selection” and follow the prompts.

TYPES OF FINANCIAL AID

Grants: Financial aid based on financial need. It does not have to be repaid (unless you withdraw from school and owe a refund).

Scholarships: Money awarded to students based on academic, financial need or other achievements to help pay for educational expenses. Scholarships generally do not have to be repaid. scholarships.missioncollege.edu

CC Promise Grant: A form of CA State aid that waives the enrollment fee ($46/unit) for eligible CA resident students.

Work Study: A federal student aid program that provides part-time employment while enrolled in school to help pay for educational expenses. Consideration for an award requires a completed FAFSA is required.

Federal Student Loans: Money borrowed from the federal government to help pay for educational expenses. A federal student loan is borrowed money you must repay with interest.

NELNET PAYMENT PLAN
You can make college more affordable by paying for enrollment fees over time. Payment plans break down your student account balance into affordable monthly payments. You pay no interest, payment options are flexible, setup fees are affordable, and it’s easy to enroll! Mycollegepaymentplan.com/wvmc

Mission Promise Program

The Mission Promise program is designed to make college more affordable for our first-time college students from Santa Clara Unified and beyond.

promise.missioncollege.edu

Financial Aid Availability:

Generally, financial aid eligibility is established once a student has shown through a completed FAFSA or CA Dream Act application that the following criteria are satisfied:

• Be a U.S. citizen or eligible non-citizen or meet AB540 criteria.

• Be enrolled or intend to enroll as a regular student in an eligible program of study for the purpose of obtaining a degree or certificate.

• Show financial need.

• Not be in default on an educational loan nor owe a refund to any financial aid office.

• Be registered, or formerly registered, with the Selective Service (for male students only, between the 18-26 year of age).

• Have the ability to benefit from the education offered. This can be met by holding a high school diploma, GED, passing the CHSPE (CA HS Proficiency Exam) or be home-schooled certified.

• Be making satisfactory progress.
ADMISSIONS AND ENROLLMENT

For more detailed information please visit: catalog.missioncollege.edu

REGISTERING IN CLASSES
Students may register/enroll for classes online via My Mission Portal starting on their assigned registration date and until the day before the first meeting day of the classes. Students may also register in-person at Admissions & Records located in SEC 118.

By completing the Application for Admission to Mission College or West Valley, students may enroll in classes at both Mission College and West Valley campuses. Enrollment may be limited to students meeting course prerequisites or co-requisites.

PRIORITY REGISTRATION
Students can earn priority registration by completing e 3SP areas of
• Orientation to help you adjust to your new college
• Placement to ensure you enroll in courses to support your success
• An Education Plan to help you identify the classes required to complete your goals and the best order in which to take them.
Visit 3sp.missioncollege.edu for more information.

PLACEMENT AND PREREQUISITES
Students wishing to enroll in English, mathematics or credit-bearing ESL courses must complete the placement process in My Mission Portal.

Some courses have prerequisites. A prerequisite is a class or skill that is required before enrollment into a preferred class is allowed. Prerequisite information for individual courses can be found in the college catalog course listings, and in this schedule of classes.

For assistance with placement or prerequisites visit assessment.missioncollege.edu

DUAL ENROLLMENT-HIGH SCHOOL STUDENTS REGISTRATION
High school students seeking to take classes at Mission College are required to submit an online Application for Admission as well as a High School Dual Enrollment Form for each term they wish to enroll. After submission of the form, students will be assigned a registration date. The registration date is viewable on the My Mission portal. The High School Dual Enrollment form may be submitted via email to: dual.enrollment@missioncollege.edu or in-person at SEC 118 to Admissions & Records. Students are highly encouraged to submit forms at least two weeks before registration opens for high school students to allow for processing.

For additional information about dual enrollment for high school students visit hs.missioncollege.edu

PAYMENT OF FEES IS DUE AT TIME OF REGISTRATION
Be prepared to pay any outstanding balance on your account at the time of registration. Outstanding account balances will block you from being able to register in the future. Make payments online via My Mission Portal or in-person at SEC 118. The college has established a payment plan with Nelnet giving the opportunity to make your college enrollment expenses more convenient and manageable. For additional information go to: MyCollegePaymentPlan.com/ wvm or call Nelnet at (800) 609-8056.

Mission College encourages all students to apply for financial aid for assistance with paying enrollment fees. To apply visit the Mission College financial aid page at financialaid.missioncollege.edu or come to the Financial Aid office for help at SEC 118.

CLASS WAIT LISTS
A class wait list starts when a class reaches its maximum enrollment capacity during the registration period. Students can add their names to a wait listed class before the class begins. During the registration period, if a student drops from a class that has a wait list, the first student on the wait list will be notified via email that a space in the class is available to their personal and WVM email addresses, and via text. The notified student will have up to 48 hours from the time the notification is sent to register into the class. Should the notified student not enroll in the course by the end of the 48 hours, the student will be removed from the wait list and the next student on the wait list will be notified that a space in the class is available.

The notification system will continue to notify students on the wait list until the next notified student enrolls in the class or the class starts, whichever comes first. Students may waitlist for a section of a course the student is already enrolled in. However, if the student moves up on the waitlist, they will need to drop the original section before an add is allowed for the waitlisted course.

ADDING A CLASS WITH ADD CODES
Beginning on the first day of the course and through the Add/Drop period of the course, students that want to add into a class must contact the instructor and ask for an “Add Code.” Students will use add codes to enroll themselves into a course via My Mission Portal. Students must use assigned add codes before the Add/Drop period deadline (see Calendar for dates). A different add code is required for each class to be added on or after the first meeting of the class. Successfully adding a course online with an add code is a two-step process 1-validation, 2-submitting changes. Students may be able to add a course on or after census date with special permission. Adding classes after the refund deadline will require that new fees be paid for the new course(s) added.

REFUNDS
To be eligible for a refund of enrollment fees students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Refund requests for ASB cards and parking permits must be made at the Admissions & Records office by the “last day to drop with a refund” deadline. A parking permit refund requires the return of the parking permit.

Refunds for credit card payments will be returned to the credit card used to pay the fees. Check and cash payments will be refunded by check and mailed to the student’s current home address on record. Students are encouraged to review and confirm mailing address information on the My Mission portal. Refunds for eligible students are processed after census for full term courses, unless otherwise requested by the student. Refunds for complete withdrawals from short-term courses are processed within 7 to 10 business days.
MAJOR & CAREER PATHWAYS

WHAT ARE MAJOR AND CAREER PATHWAYS?
They are groups of related programs based on similar interests and courses. Career pathways are designed to help you find a path to reach your educational and career goals and provide a structure to help you navigate the college experience.

ASK A COUNSELOR
We suggest scheduling an appointment with a counselor at counseling.missioncollege.edu to identify the major and career pathways of interest and create an education plan to reach your goals.

YOU DON'T NEED A DEGREE TO TRANSFER
You don't need a degree/certificate to transfer to a university. However, depending on the transfer major you are seeking, it can be a great way to finish major preparatory coursework at Mission. And usually it is more affordable too!

DON'T KNOW WHAT TO STUDY? NO PROBLEM!
It’s ok if you have not decided on a major, that is what college is for. To explore your options, check out the Career Counseling website: counseling.missioncollege.edu

CAREER COACH: Includes a free 6 question and 60 question-assessment to explore majors on your My Mission Portal

CAREER EXPLORATION COURSE: Take a career exploration course, COU 012 (Career and Lifestyles)-3 units.

Go to majors.missioncollege.edu to explore all our degrees and certificates. The Major and Career Pathways are on the following page in the following categories

While not part of our pathways programs we also have Apprenticeship, ESL, and Noncredit Programs

UNDERSTANDING ADVISORIES & COURSE REQUISITES

Our Placement and Assessment Services team can assist with having prerequisites cleared with coursework taken at other colleges, AP/CLEP Test Scores, in limited instances with high school coursework, or if the knowledge or skills have been acquired through alternative means.

Visit them at placement.missioncollege.edu

UNDERSTANDING ADVISORIES AND COURSE REQUISITES

As students read about Mission College courses in the College Catalog or in the Class Schedule they will often see indications about advisories or course requisites. The information below should help you better interpret these indicators.

ADVISORIES

Course advisories are placed on courses as a recommendation that a student has completed another Mission College course prior to enrollment, but it is not required. Students may also feel confident they are prepared for the course if they have completed a similar course to the advisory course at another college, or if they believe they have acquired the knowledge or skills learned in the advisory course through other means.

PREREQUISITES

Prerequisites are placed on courses to require students to have either completed another Mission College course or met some other indicator prior to enrollment in this course.

COREQUISITES

Corequisites are placed on courses to require students to enroll simultaneously in the courses. Sometimes a course is indicated as a Corequisite or Prerequisite which permits the student to enroll if they have previously completed the prerequisite course or are enrolling in it simultaneously.

ANTIREQUISITES

An Antirequisite means a student cannot enroll and receive credit for this course, if they have already received credit for the antirequisite course.

Students who have questions about or need assistance with meeting requisites can get help from Placement and Assessment Services, Admissions and Records, Counseling, or the academic department in which the course is offered.

READING THE REQUISITE REQUIREMENTS

Simple Requisites:

Many requisites are very easy to understand. In the example below, a student must have completed or be currently taking and scheduled to complete ACC001A, or work with Placement and Assessment Services to clear the prerequisite through alternative means, before enrolling in ACC001B for an upcoming term.

ACC 001 MANAGERIAL ACCOUNTING 4.0 UNITS
Prerequisite: ACC 001A

More Than One Requisite:

Some courses may have more than one requisite. In the example below a student must meet two prerequisites, MAT 003B and PHY 004B. In addition, the student is advised (but not required) to have completed MAT 004A, before enrolling in EGR 024.

EGR 024 INTRODUCTION TO CIRCUIT ANALYSIS 3.0 UNITS
Prerequisite: MAT 003B and PHY 004B
Advisory: MAT 004A

More Than One Way to Meet the Requisite:

In some cases, students have options in how to meet a requisite. In the example below a student can meet the prerequisite for ART 048B by completing either ART 031A or ART 033C.

ART 048A AIRBRUSH PAINTING 3.0 UNITS
Prerequisite: ART 031A or ART 033C

Complex Requisites:

Occasionally, requisites can be complex. When this happens, parenthesis are used to help communicate the complexities. When you see the parenthesis, you should interpret the information within them as a block before considering the information outside the parenthesis.

In the example below, a student must complete BUS 021L or CAP 063B (but not both) as well as complete MAT 010 or MAT 009 (but not both) prior to enrollment in BUS 041.

BUS 041 BEGINNING BUSINESS ANALYTIC 3.0 UNITS
Prerequisite: (BUS 021L or CAP 063B) and (MAT 010 or MAT 009)
Advisory: BUS 021

One of the most complex requisites is for BIO 004, where a set of double parenthesis exist. Starting from the left, there is a set of parenthesis indicating a student can choose between four different options to meet the first prerequisite. The student can complete BIO001 or BIO001A or BIO002 or BIO010 and BIO010L. Because BIO010 and BIO010L are in an additional set of parentheses this information is to be taken as a block. Three of the four options can be met with a single course, while the fourth option requires completion of two courses. Yet another set of parentheses indicate a student can choose between three different options to meet a second prerequisite. In this case the student must complete one of three possible chemistry courses.

BIO 004 MICROBIOLOGY 5.0 UNITS
Prerequisite: (BIO0010 and BIO010L) or BIO001 or BIO001A or BIO010L and (CHM 003A or CHM 001A or CHM 060)

PARKING

A valid student, staff, or one-day “daily” visitor parking permit is required to park on campus. Parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT
A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a semester-length permit, either online or in person, you will need to know your vehicles make, model, color, and license plate number. If you are a Financial Aid student receiving a California Promise Grant (Formerly Board of Governors Waiver), you can purchase your permit online but you must do so via the link in the student portal located on the college website.

Semester-length parking permit refund requests must be made in accordance with the refund schedule identified by Admissions. For permits purchased in-person at the Admissions Office, please take your permit to the Admissions Office to request a refund. For permits purchased online and mailed to your home, please take your permit to the District Police Office.

One-day “Daily” parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C, and D. Daily permits are $3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

WINTER SESSION PARKING INFORMATION
There is no grace-period during the Winter Session. All vehicles parked on campus during the Winter Session must have a valid parking permit properly displayed at all times. During the Winter Session (Tuesday, January 3 through Thursday, January 26, 2023) all of the following parking permits will be valid for use:
• Fall 2022 Semester Permit
• Spring 2023 Semester Permit
• Daily Permit

Students who have already purchased a Fall 2022 or Spring 2023 semester length permit may use either of these permits to legally park on campus during the Winter Session.

SPRING SEMESTER PARKING INFORMATION
A student parking “grace-period” will be observed during the week immediately prior to the start of the spring semester and during the first week of the spring semester. (The “grace-period” begins on Monday, January 23, 2023 and ends on Sunday, February 5, 2023.)

During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations may be issued to vehicles failing to display a valid student parking permit beginning Monday, February 6, 2023.

GENERAL PARKING INFORMATION
VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lots A, and in our new visitor lot, located next to the Student Engagement building at front entry circle. Visitors planning a longer visit to campus should purchase a one-day “daily” parking permit at any of the daily permit dispensers located in parking lots B, C and D.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING -- Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

ELECTRIC VEHICLE CHARGING – Electric vehicle charging stations, also known as “E.V.” stalls, are located in the front rows of Parking Lots C and D. Students, staff, and visitors are welcome to use the charging stations; however, a valid student, staff, or one-day visitor parking permit must be displayed on the vehicle while it is parked in an “E.V.” charging stall.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the Campus Center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

DISCLAIMER - This is only a summary of the District’s parking procedures and regulations. All procedures and regulations are subject to change. For the most current and complete procedures and regulations, please visit us online at https://wvm.edu/parking.

QUESTIONS? CONTACT US - Parking Services can be reached by calling 408.855.5435, or via e-mail at parking.services@wvm.edu, or at by visiting us at the District Police Office located in the Campus Center.
SECOND HARVEST FOOD BANK
