President's message

Hello!

I'm Dr. Seher Awan, proud president of Mission College, and I'm thrilled to welcome you to the summer and fall 2025 terms.

In today's rapidly changing world, are you prepared to evolve with it? Mission College is here to help you build the skills and career that will shape your future. By choosing Mission College, you've made an important decision to invest in yourself and your future, and we are fully committed to helping you achieve your personal and professional goals.

No matter where you are in life, you are a valued part of the Mission College community. Our diverse faculty, classified professionals, and administrators share a deep commitment to your success. We offer numerous resources, from free laptops to housing, food assistance, and support services. Plus, we're excited to announce free tuition for all individuals within our service area. Also, starting in the 2025 Fall Semester, we will guarantee every in-person student at least one free, nutritious meal each school day.

As we begin this term, let's focus on YOU. What do you need to achieve your dream career? How can we

support your mental health and well-being? How can we help you bring your authentic self into the classroom? We're here to guide you and turn your dreams into reality.

At Mission College, we believe in the power of community. I encourage you to get involved—join a club, committee, or the Associated Student Government. Your voice matters, and you have the potential to make a real impact here.

I am confident that your time at Mission College will be extraordinary. Remember, I'm here for you. Feel free to stop by my office or visit during my open hours on Thursdays from 11 a.m. to noon. I look forward to meeting you and celebrating your success at graduation.

Dr. Seher Awan

Getting started at *Mission*

STEPS TO APPLY

1 Apply for Admission

Visit tinyurl.com/Mission-Apply to create a student account and to apply. Within 24 hours, you'll receive a Student ID Number (e.g., G01234567).

- Keep an eye out for emails from CCCApply and West Valley-Mission Community College District (WVMCCD) regarding your account status and instructions.
- F-1 international students should apply at missioncollege.edu/iis.
- Noncredit students should apply at missioncollege.edu/depts/noncredit.
- Dual enrollment students must receive approval from their parents/guardians and a counselor. More information is available at missioncollege.edu/hs.

2 Access the My Mission Portal

Utilize your WVMCCD email to create an account and password to access resources in the My Mission Portal and complete the remaining steps.

Complete Orientation

Watch our self-paced, online orientation.

Meet with a Counselor

Schedule an appointment or drop-in with a counselor.

Register and Pay for Classes

- Sign up and pay for classes using your Student ID Number (e.g., G01234567).
- Students interested in enrolling in Math or English courses must first acknowledge their Math & English Placements in the My Mission Portal.
- Students enrolling in ESL courses must complete the ESL assessment process at missioncollege.edu/assessment.

Financial Aid

Students in our district must submit a FAFSA/CADAA to activate their Enrollment Fee Grant. Students from outside the district are encouraged to submit their FAFSA/CADAA to determine eligibility for additional aid.

Equal Opportunity Statement

West Valley-Mission Community College District is an open-access community college district.

West Valley-Mission Community College District does not discriminate because of age, sex, disability, race, color, or national origin in any of its programs or courses of study.

West Valley-Mission Community College District es un distrito de colegio comunitario de acceso abierto. West Valley-Mission Community College District no discrimina por edad, sexo, discapacidad, raza, color u origen nacional en ninguno de sus programas o cursos de estudio.

Khu Cao đẳng Cộng đồng West Valley-Mission là một khu cao đẳng cộng đồng có cơ hội tiếp cận mở. Học khu Cao đẳng Cộng đồng West Valley-Mission không phân biệt đối xử về tuổi tác, giới tính, khuyết tật, chủng tộc, màu da hoặc nguồn gốc quốc gia trong bất kỳ chương trình hoặc khóa học nào.

Thank you for choosing Mission College! We're committed to supporting your success every step of the way.

If you need help, connect with our team via live chat at missioncollege.edu/welcome.

Missed a semester? No problem—reactivate your student ID through CCC Apply at tinyurl.com/Mission-Apply.

If you've lost your student ID number, you can retrieve it at web.wvm.edu/whatsmyid/gnumber.

We're here to ensure your experience is smooth and successful!

Free College, *Endless Possibilities*

Your potential is unlimited, and we are here for you with free tuition, free childcare, free healthcare, free food, and more.

At the West Valley-Mission Community College District (WVMCCD), we've got your back!

If you live in the district's service area, you can now attend our college without paying tuition and fees.

We believe in college on your terms that's why we have removed parking and health fees, while providing free childcare and transportation as well as so many other resources like free food just for you!

Our Service Area

- Alviso
- Campbell
- Los Gatos
- Santa Clara
- Saratoga
- Parts of San Jose and Sunnyvale

Free & Flexible No Tuition costs.

A Mission College degree provides you with essential skills and training required to find the career you love. You will find:

- Over 100 diverse degree and certificate programs
- Valuable skills that enhance your resume
- Practical, hands-on training experiences
- Traditional, evening, weekend and online options
- In-person or online class options
- Opportunities for internships with many Silicon Valley companies

Don't live in our service area?
That's no problem! There are many ways we can help you pay for your tuition at Mission.

Learn more at
missioncollege.edu/free-tuition

District residents must be California residents pursuing a degree or certificate and must apply for financial aid.

Paying for *College*

Steps to Apply For Financial Aid

Mission College's Federal School Code: 014458

1 Submit Your Application

Complete the FAFSA at fafsa.gov or the Dream Act application at dream.csac.ca.gov. The Financial Aid Office will email your WVM email address within 3-4 business days after submission.

2 Check Your Portal & Follow Up

Log into My Mission Portal using your WVM Email to check your Financial Aid status. Dreamers should contact the Financial Aid Office for eligibility review.

3 Submit Documents & File Review

- Visit My Mission Portal to view required applicant documents Submit forms through the Financial Aid Forms icon under Finances and Parking.
- Allow for 1-2 weeks for review of your file and determine eligibility.
- You can check your financial aid award in My Mission Portal.

4 Set Up Your Payment Method

Create an account with BankMobile by accessing your Refund Selection Preference through your MC Portal.

Types of Financial Aid

Grants: Based on need and typically do not require repayment unless a refund is owed.

Scholarships: Awarded based on need or achievement; usually non-repayable. Learn more at missioncollege.edu/scholarships.

California College Promise Grant: Covers enrollment fees for eligible state resident students.

Work Study: Part-time employment to help cover expenses (FAFSA required).

Federal Student Loans: Borrowed funds that must be repaid with interest.

Nelnet Payment Plan

Pay for enrollment fees in affordable monthly payments with no interest. For details, visit mycollegepaymentplan.com/wvmc.

Financial Aid Office

Student Engagement Center (SEC), Room 118
Phone: (408) 855-5065
Fax: (408) 855-5546
mcfa@missioncollege.edu

For office hours, visit

missioncollege.edu/financialaid

2024-2025

FAFSA/California Dream Act applications
Deadline: June 30, 2025

2025-2026

FAFSA/California Dream Act applications
Opens: October 1, 2025

FAFSA is for U.S. citizens and eligible noncitizens, offering federal, state, and institutional aid. CADAA is for undocumented and certain non-resident students, providing state and institutional aid only. Apply for one based on eligibility.

Federal Pell Grants

Submit the 2025-2026 application by June 30, 2026, for Summer/Fall 2025 enrollment.

Student Loans

Spring 2025 Loan Request Period:

January - November 3, 2025.

Ensure your Financial Aid file is complete before submitting request.

Notice of Photography and Videography Use

By participating in campus activities, you grant Mission College the right to use your likeness in photos and videos for marketing purposes. To opt out, contact the Marketing & Public Relations Office in Student Engagement Center (SEC), Room 348, before participating. Your participation implies consent to these terms.

Class *Schedule*

Stay on Track & Achieve Your Goals!

Found the perfect class? Make it yours! Once you've chosen your class, head to the Class Search to register and secure your spot.

Don't wait—get started today and take the next step toward your goals!

Check out the latest classes at
[missioncollege.edu/
class_schedule/](https://missioncollege.edu/class_schedule/)

Get Started Here

Start at missioncollege.edu/welcome

Live Chat with the Welcome Center

Use the Live Chat feature on our website to connect instantly with our Welcome Center ambassadors. They're ready to answer your questions or direct you to the right resources.

Access My Mission Portal

Through My Mission Portal, you can access essential services like registration, Canvas, Microsoft Office 365, DegreeWorks, Career Coach, and more. New students can also complete Math and English placements. Log in using your student email (yourname@mywvm.wvm.edu).

Know and Use Your Student Email

You'll receive a personalized email account (yourname@mywvm.wvm.edu), which gives you single sign-on access to various services.

Ask a Counselor

Whether you're exploring majors, planning to transfer, or mapping out your degree, counselors provide the guidance you need. Meeting with a counselor early helps you build a strong education plan, keeping you on track to reach your goals. Schedule an in-person or virtual appointment through Starfish at missioncollege.edu/counseling and work with a counselor to:

- Create a personalized education plan
- Explore majors and career pathways
- Understand how a degree or certificate can support your transfer goals
- Make sure you're taking the right classes to reach your goals.

Don't wait - meet with a counselor, plan your courses, and register with confidence.

Parking Regulations

On-campus parking requires a valid permit, which is enforced every day from 7:00 a.m. to 10:00 p.m. Free semester-length student parking permits can be ordered by logging into the student portal. Visitors can use free 40-minute time zone parking stalls or purchase a one-day permit from a parking machine. All permits must be displayed on the front dashboard and visible from the outside of the vehicle. Overnight parking requires authorization, motorcycles must use designated two-wheeled vehicle parking, and disabled parking requires a valid placard or specialized license plates.

Learn more at missioncollege.edu/parking or contact Parking Services at 408-855-5435.

Access and Use Canvas

Canvas is how you access online classes. All instruction will occur within Canvas for Asynchronous Online courses. It is how you communicate with your classmates and your instructors, and access course materials. You can access Canvas in the My Mission Portal through single sign-on with your WVM email address or use your student ID number (the default password is your 8-digit birthdate, mm/dd/yy).

Explore more support at missioncollege.edu/basicneeds

Degrees and Certificates

We offer a wide variety of degree and certificate programs to meet your needs.

Our programs can prepare you for direct entry into the workforce, help you transfer seamlessly to a four-year college or university, or provide you with new skills to advance in your current career. With flexible class schedules and supportive faculty, we're here to help you succeed every step of the way.

Academic Programs

Launch Your Law Career with Confidence

Dreaming of law school? Start strong with our ADTs in Speech Communication, English, or Administration of Justice. Build your expertise in argumentation, legal analysis, and justice systems while earning transferable credits for CSU or UC. Whether you envision a future in the courtroom, public policy, or legal advocacy, these programs put you on the path to success.

missioncollege.edu/depts/sociology/administrative-justice.html

Launch Your Career in AI & Data Science

Artificial Intelligence and data are shaping the future—be at the forefront with our specialized certificate programs.

Artificial Intelligence Certificate – Gain hands-on experience in machine learning, automation, and AI-driven technologies to prepare for cutting-edge careers.

Data Analyst Certificate – Build a strong foundation in data analysis, visualization, and Python programming—perfect for entry-level roles in tech and business.

Data Science Certificate (New for Fall 2025) – Take your skills further with advanced analytics, machine learning, and statistical modeling for high-impact careers.

Start with key courses like CIS 007: Python Programming and CIS 051: Introduction to Data Analysis, offered in Summer and Fall 2025.

Prepare for in-demand careers in AI and data science today!

Find more information about CS certificates at missioncollege.edu/depts/computer-science/

Start Your Healthcare Journey with Human Biology

Step into the world of healthcare with the Human Biology AS degree that prepares you for nursing, medicine, and patient care careers. Dive into anatomy, physiology, and microbiology to build a solid scientific foundation. With hands-on learning and expert instruction, you'll be ready for top medical programs and a future dedicated to helping others.

missioncollege.edu/bio

Make an Impact with a Behavioral Health Worker Certificate

Turn your passion for mental health and social services into a career. Our Behavioral Health Worker Certificate equips you with skills in counseling, crisis intervention, and community outreach. Be the difference in someone's life by stepping into this vital and rewarding field.

missioncollege.edu/depts/health-occupations-nursing/community-health-worker.html

Mechatronic Technology Classes Offer Career Training

Mechatronic Technology classes offer Career Training MTT curriculum, certified by the National Institute for Industry and Career Advancement, which aligns with key skills sought by employers in advanced manufacturing and semiconductor industries. Sign up for MTT-10 and MTT-12 in the fall!

Excel at Mission

Big Changes to Transfer Requirements

AB 928, the Student Transfer Achievement Reform Act of 2021, has revamped general education (GE) requirements for California Community College transfer students with the introduction of Cal-GETC.

- Cal-GETC is now the required GE pathway for students transferring to CSU and UC.
- New students pursuing an ADT must complete the CalGETC pattern. Continuing students may choose to complete the CalGETC pattern, or the previous IGETC or CSU-Breadth patterns.

Stay on track for a smooth transfer—learn more at:

missioncollege.edu/counseling

Navigate Your Future with Program Maps

Feeling overwhelmed by course planning? Our Program Maps provide a step-by-step guide to completing your degree or transferring faster. Meet with a counselor to create a personalized roadmap to success.

missioncollege.edu/program-maps/

Unlock Your Potential with Hands-On Learning Programs!

Prepare for an exciting career with Mission College. Gain real-world skills through hands-on learning, and earn industry-recognized certifications that employers value.

Our Career and Technical Education (CTE) programs are designed to get you job-ready, fast, with a blend of classroom learning and practical experience to help you boost your earning potential and invest in your future!

Discover Your Culinary Future at Mission College

Step into the kitchen and master the art of culinary excellence with hands-on training in our Hospitality Management program and our student-run Mission Bistro restaurant. Gain real-world experience, industry connections, and career-ready skills. missioncollege.edu/hm

User Experience (UX) & Interface Design

Learn to design seamless user interfaces for apps and websites. Build a portfolio to stand out in tech fields. missioncollege.edu/depts/graphic-design

Cisco CCNA Cybersecurity & Cloud Computing

Get certified in networking, cybersecurity, and cloud computing. Build a career in IT infrastructure, security, or cloud services. missioncollege.edu/csit

Why Choose Career and Technical Education at Mission College?

Experience hands-on learning with state-of-the-art equipment and tools, earning certificates and certifications that give you a competitive edge. Enjoy flexible schedules tailored to fit your lifestyle—whether you're launching a new career or building on existing skills. Plus, benefit from strong industry connections that open doors to internships and job placements.

Fire Protection & EMT Training – Your Path to Public Safety

Mission College is your “One Stop Shop” for firefighter and EMT training in the Bay Area. Learn from experienced fire service professionals and prepare for California firefighter certification. Earn an Associate's in Fire Protection Technology or our new, affordable Bachelor of Science in Emergency Services Administration - launching soon!

Boost Your Skills with Noncredit Classes –

No Cost, Big Opportunities!

Looking to gain new skills, explore career options, or improve your English? Mission College offers FREE noncredit courses designed to help you succeed, whether you're starting a new career or enhancing your skills.

Program Highlights:

Video & Motion Graphics

Create digital art and video and build a portfolio for creative careers.

Pharmacy Technician

Explore career paths in healthcare and develop foundational skills for pharmacy work.

English as a Second Language (ESL)

Improve communication for personal and career success.

Foundations of Behavioral Health Work

Prepare for roles in mental health and wellness.

Why Choose Noncredit Courses at Mission College?

- FREE courses with no tuition costs.
- Flexible scheduling for busy students.
- Career-ready certificates to jumpstart your future.

From Mission College to *Any University*

The Transfer Pathway

Start your journey at Mission College and transfer to your dream university! With transfer agreements in place with many four-year institutions, transferring credits is seamless, helping you reach your educational goals strategically.

UC TAG Program

Participating in a Transfer Admission Guarantee (TAG) program allows students from California community colleges to secure guaranteed admission to specific University of California (UC) campuses by meeting campus-specific requirements.

Top Transfer Universities

Our students have transferred to top universities like San Jose State, Santa Clara, Stanford, UC Berkeley, UCLA, and more!

missioncollege.edu/asg | CC 231
(408) 855-5407

Encourages involvement in campus activities, clubs, and leadership.

- Supports student clubs and major campus events.
- Coordinates the Mission Cares program for basic needs support.

Want to save money on *Textbooks and Course Materials?*

Finish your certificate or degree textbook - cost free!

At Mission College, we believe education should be affordable. With Zero Textbook Cost (ZTC) and Low Textbook Cost (LTC) courses, you can focus on your goals without worrying about expensive books and materials.

ZTC: No costs for textbooks or required materials.

LTC: Required text or materials cost \$50 or less.

Mission College also does not charge students materials fee for classes with consumable materials such as Art and Culinary Arts. Some courses require students to purchase supplies.

How to Find ZTC and LTC Courses Online

To find these courses visit our searchable online schedule at missioncollege.edu/class_schedule/. Click the "More Options" button, and you will see a Textbook Cost filter where you can select either or both of these options.
