START STRONG AT MISSION *In-Person and Online*

Below are resources that will help you get a strong start this term.
We are glad to have you as part of our Mission College family!

ACADEMIC SUPPORT

Academic Support Center

missioncollege.edu/tutoring

Need help with a subject? The ASC in the Library and Learning Commons offers individual and group tutoring. Let us assist you in overcoming academic challenges and succeeding in your studies.

Counseling

missioncollege.edu/counseling

If you are degree/certificate or transfer seeking, meet with a counselor and create a Comprehensive Educational Plan.

Library & Learning Commons

missioncollege.edu/lib

The library helps you easily find, select, and use materials to meet your learning needs. Access a wealth of resources for your academic journey, enhancing your educational experience.

STEM Learning Center

The STEM Learning Center in the Science Building offers tutoring and services to support you in STEM-related courses. Elevate your understanding and excel in your STEM studies.

BASIC NEEDS SUPPORT

missioncollege.edu/basicneeds

Free Meal Plan

Enroll in 6 or more in-person units, complete a quick opt-in on the Student Portal, and get \$50 loaded to your Student ID every Monday for use on-campus. Learn more at missioncollege.edu/freemeals

Housing Resources

Mission works with community organizations to ensure you have secure housing solutions, prioritizing your well-being and providing a stable living environment for your academic journey.

Mission Market

Gain access to free groceries and food in the Campus Center, supporting you with essential resources to enhance your well-being throughout your academic journey.

Laptop Loan

Borrow technology from us if you lack a personal laptop or reliable internet. Ensure you have the tools needed for a successful semester.

SmartPass

Mission College students can get a VTA (Valley Transit Authority) SmartPass card for free rides on VTA buses and light rail throughout the term.

CAMPUS RESOURCES

Child Development Center

missioncollege.edu/cdc

CDC provides childcare services for you if you have children aged 6 weeks to entry-level kindergarten. Explore financial assistance options on the website for more information.

Career and Transfer Center

missioncollege.edu/career

Discover internship or employment opportunities, apprenticeships, and job placements tailored for you. Explore and kickstart your career journey with valuable experiences and placements.

Health Center

wvm.edu/services/health

Access free to minimal fee health services at our Health Center in the Student Engagement Center, Room 104. A registered nurse and licensed mental health therapist are dedicated to supporting your well-being as a registered student.

Student Support Hub

Connect with essential Student Support Services by clicking on the "MC Student Support Hub" on your Canvas dashboard. Access resources to enhance your academic journey and well-being.

Events & Activities
