Instruction for Affidavit of Support  
To the F-1 Student Applicant – Please Read Carefully

The I-20 Certificate of Eligibility for F-1 Student Status is a US federal document. To receive an I-20 for Student Status from us, US Law requires that you show proof that you have the funds to pay for your program at Mission College. An I-20 will not be given until this form is complete and returned to Mission College International Student Center. The law requires we ask for proof of ability to pay for school. You must give us documents that show you have the funds readily available to pay for at your term of study and access to funds in the future to complete your program. There is no financial aid from Mission College for international students.

You will also need original financial documentation (no copies, even with stamps) to submit to the US Embassy for F-1 Visa Application or US CIS for Change of Status Applications.

The Law states that student’s must be enrolled full time each semester. It is illegal for students to work without authorization. The law restricts student employment.
